"I thought I was an active Rotarian but participation in Rotary Leadership Institute really helped me understand the value of Rotary. It is much more than attending meetings and having a nice lunch and social time. It is about changing the world, and we can start with our community."
— Five-year Rotarian after participating in Rotary Leadership Institute

"I am grateful for the opportunity to learn more about Rotary in general and to get inspired by my peers. We learned as much from each other as we did from the program, not just in ideas, but also in how we can help each other."
— Eight-year Rotarian, Club President-elect

The format provides an opportunity to forge alliances across clubs of all sizes and geographic areas.

ROTARY LEADERSHIP INSTITUTE Creating Extraordinary Rotary Leaders and Vibrant Clubs

"Having leadership skills does not alone assure good Rotary leadership. An effective Rotary leader must ALSO have Rotary knowledge, perspective about where Rotary has been, where it is now and a vision of what Rotary can be."

—International Leadership of Rotary Leadership Institute

What is RLI?

Rotary is a worldwide organization of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world.

Rotary needs a constant influx of leadership, especially with the annual change in club officers. It is difficult at the club level to learn enough about the exciting world of Rotary. Furthermore, leadership skills in a voluntary organization are often different from business leadership skills.

It is important that club leaders have every opportunity for education because the success or failure of our clubs depends in large part on the quality of their leaders. Meet that need through enrollment in the Rotary Leadership Institute.

**If your club cares about its future...
RLI needs to be a top priority.**
