Rotary Youth Leadership Awards

For Parents/Guardians

Thank you for allowing your child to experience the District 5650 Rotary Youth Leadership Camp. Not only will your student learn a variety of leadership skills, they will also learn about Rotary's service to others and the way we promote integrity and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

It is our hope that your student comes away with new knowledge, friends, plans, and a passion for Rotary now and in their future.

Your student should have received from us:

- ◆ A packing list
- ◆ The weekend agenda
- ◆ 5650 Youth Anti-Abuse and Anti-Harassment Statement
- ◆ 5650 Youth Protection Policy
- ◆ Camp address, campsite map, link to camp website
