## Rotary/Favarh Initiative and Charitable Giving

Rotary of Avon-Canton pledged over 5 years - \$150,000 to Favarh. The funds will go towards the construction of an exciting new Life Enrichment Program (LEP) building for Favarh – The Arc of the Farmington Valley. This project will help the non-profit provide even greater support for its clients with intellectual and developmental disabilities. The 7,500 square-foot building, located at Commerce Drive in Canton, will enhance Favarh's day programs for adults who can't work because of disability and medical complexities or who have retired from work.

The new facility will be named the
