Williamstown

## Existing program description

---

- public presentation by sheriff cochee, police, fire, town officials, school superintendent and former addicts. one forum done may work on another.
- We will be having 4 guest speakers during the month of September who are on the front lines of dealing with this crisis. We will be inviting our Young professionals from our local chamber to collaborate with us on this issue...we will form a committee that will then, after hearing all 4 speakers, come up with a service project to help the opioid crisis in our community.
- public information series in association with my role as Selectwoman. We have had two annual informational meetings for the public on opioid usage, sources for assistance, and interviews from parents who have lost children, as well as how to have a conversation with family addicts and resources for assistance in the area.
- we do donate to Ludlow Cares- which does address this local opiate crisis 7/20/2018.
- we did an opioid presentation 06/28/2017 with the FBI and local treatment centers. We played the movie Chasing The Dragon, The Life of An Opiate Addict followed by a discussion panel.
- Member of the Substance Abuse Task Force Committee for District 7890
