*The 3 year old boy who
held on to his grand-
father's thumb.*

*His 5 year old brother
Cecil whom he loved
dearly.*

HEADING

Rotary

24, 1947

Public Comfort Stations

The topic is many-sided and can be treated to best advantage if we start out with recognition of this fact and with due appreciation of its significance.

✻

WILL THE PROPOSED MEASURE REQUIRE THE CITY COUNCIL TO APPROPRIATE MONEY FOR PURPOSES UNTRIED BY OTHER MUNICIPALITIES? ARE PUBLIC COMFORT STATIONS EXPERIMENTAL?

HUDD S. GROSSER
CITY STATISTICIAN

THE EXIGENCY OF THE LOOP DISTRICT

AUGUSTUS D. CURTIS
OF THE HAMILTON CLUB

ARE THESE INSTITUTIONS RECONCILABLE WITH AN ARTISTIC CHICAGO?

JAMES WILLIAM PATTISON
SECT. MUNICIPAL ART LEAGUE OF CHICAGO

ON WHOM SHOULD THE EXPENSE OF ESTABLISHING PUBLIC COMFORT STATIONS FALL?

DONALD M. CARTER
OF THE COMMITTEE ON PUBLIC COMFORT STATIONS OF THE ROTARY CLUB

CHICAGO MUST KEEP ABREAST OF THE TIMES IN MUNICIPAL IMPROVEMENTS

EDWIN G. FOREMAN
OF COMMITTEE ON PUBLIC COMFORT STATIONS COMMERCIAL CLUB OF CHICAGO

Program of civic meeting Chicago Club called in '47 to discuss building of Comfort Stations. Community Service Starts!

PRODUCT and PEOPLE

Roles and responsibilities – Chair

Selecting your committee

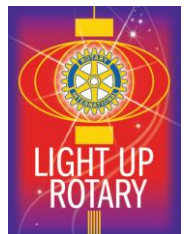

Managing your committee

Before taking office

- Meet with the outgoing committee
- Review your club's bylaws – procedures and regulations
- Review your club's strategic plan and develop goals to support it.
- Select your committee
- Create subcommittees as needed
- Develop a communication plan for the year

After taking office

- Manage your committee's budget
- Work with other committees in your club and the district committee on multi-club activities or initiatives
- Plan and conduct regular committee meetings and activities
- Monitor progress towards your committee goals
- Report committee activities and progress to the club president, board of directors and the full club

Selecting your committee

- **Work with President Elect**
- **Adopt a staggered 3 year cycle**
- **Choose enthusiastic and motivated people**

Consider:

- **Profession and/or skills**
- **Volunteer experience**
- **Willingness to serve multiple years on the committee**

Managing your committee

Prepare your committee –

- **Inform them of ongoing activities and plans**
- **Pair new committee members with more experienced ones**
- **Guide your Committee in its development of service initiatives**

Roles and responsibilities – Committee

- **Develop committee goals to achieve club service project goals.**
- **Include needs assessments, planning and evaluation.**
- **Identify opportunities for signature projects – increase recognition**
- **Work with other organisations, volunteers etc to maximise the impact of your project.**
- **Lead efforts to raise funds for projects.**
- **Understand liability issues that affect your club projects**
- **Work with club PR to promote service projects**

PROJECT LIFECYCLE

Planning

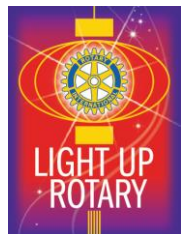

Acquiring resources

Project implementation
evaluation & promotion

1. Assess the situation

- * address real and current community concerns
- * Identify those needs your club can address
- * Make an external assessment with wide range of community members
- * Make a club assessment of club's ability to carry out the project.
- * Past experiences and lessons learnt.

Choosing a project

Consider:

- * Rotary's areas of focus
- * the assessment
- * community concerns
- * available resources human and economic
- * club service interests and history
- * project's duration
- * sustainability

Rotary's Areas of Focus

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development

3. Set goals

That are:

Shared

Measureable

Challenging

Achievable

Time specific

4. **Develop a plan**

Include:

Timeline, project duration

Resources available and needed

Sustainability

Areas of responsibility

Develop a budget

Adopt a transparent and accountable system

Risk assessment

Criteria for measuring progress and success for each step

Assessment of your goals to ensure that steady progress

Evaluation method

Correct use of Rotary marks

Acquiring resources

Not always money

Time

Skills

Working with partners eg Lions, Apex

Club, District RI, government grants

Donated goods

Volunteers

Avoid duplication of equipment

Share resources

Project implementation

Motivation results from

Assurance that the goal will be beneficial

Belief that the goal is achievable and will be successful

Opportunities for friendship, fun and networking

Use each member's expertise

Recognition

Monitoring

goals to ensure that steady progress

adjustment of goals if necessary.

Evaluation

Were goals and objectives met?

What lesson was learned ?

Evaluating the success – is it still worth the effort. Is it time for Change?

Promotion

Regular progress reports- so all members know what is going on and can offer their skills – they can OWN the project and there will be less criticism.

Avoid the answer “Nothing to report” Sounds terrible for visitors and prospective members

CASE STUDY

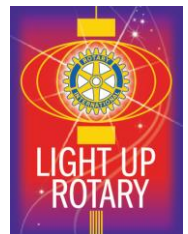

Group work on solutions to 6 actual events which have been experienced by some District clubs

Rotary the oldest service organisation in the world

People join Rotary to do good as I said before

Most will leave if their time is not occupied effectively engaged. There are so many organisations vying for the volunteer time.

In 10 years Rotarians have completed **1.8 million projects**
with **253 million volunteer hours**.

It is so great to be part of this.

Thank you for your participation today
and have a great year.

As you **Light Up Rotary Service**
