

Model United Nations Assembly

Your club can foster world changers!

Proudly hosted by the Rotary E-Club of Greater Sydney in 2015
D9685 MUNA Chair - Phil Wishart

MUNA – Empowering Young People

The main aims are to develop in students an awareness of the United Nations and the international situation of other countries in the world;

- to enable students to improve their public speaking and debating skills.
- to encourage them to make sympathetic and informed comments on world problems.
- share their opinions and friendship with students from other schools and
- to lay the foundation for the free sharing of ideas across national boundaries which is the essence of a truly open society tolerant to differences of race, religion, and political opinion

One weekend, 150 students, one fantastic experience!

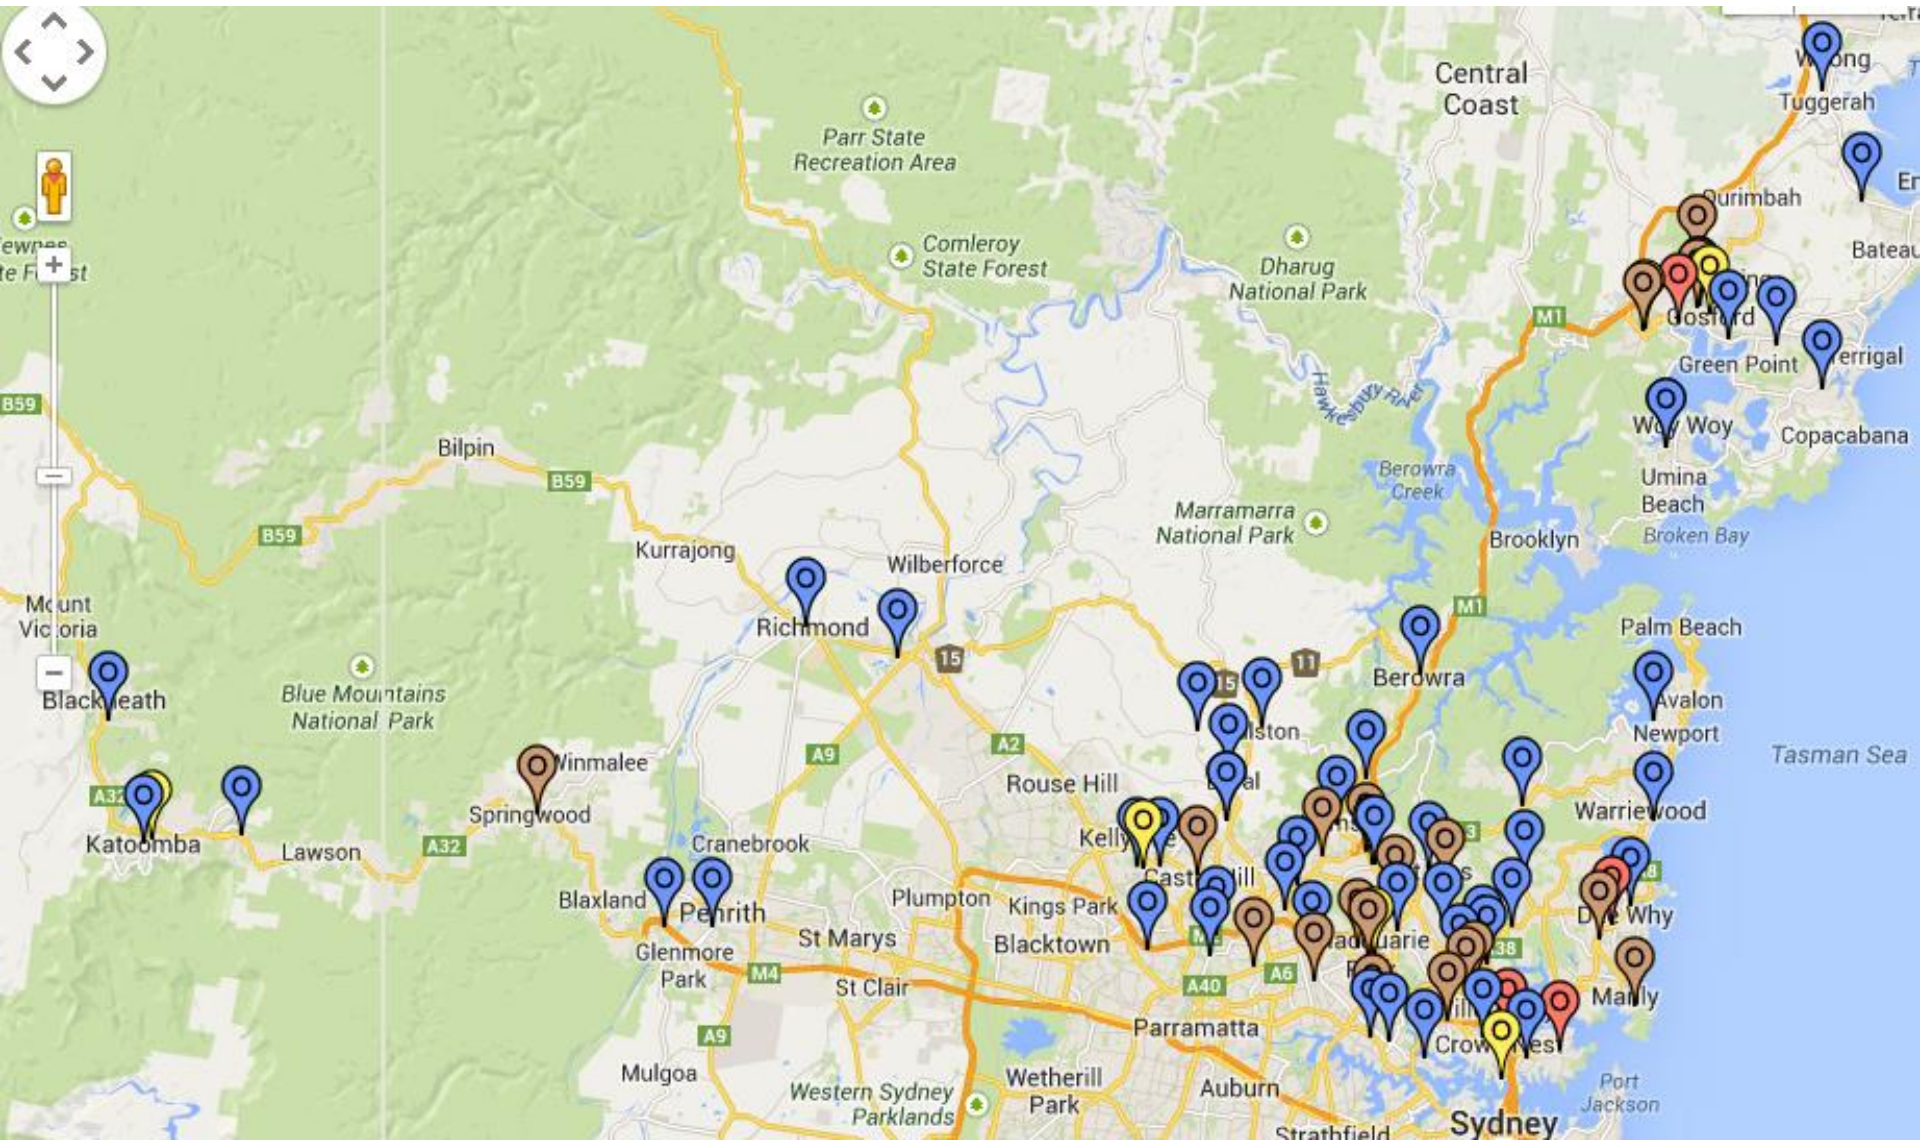

For me personally?
