How do you select students

RYPEN is designed for the middle of the road or average students and not for the outstanding few.

If you know someone who shows some qualities of: Decency; Courage; Persistence; Sincerity & application in everyday life, which deserves further development.

Contact your Local School year 9/10 advisor & keep on them as they are very buisy.

What is the purpose of RYPEN

- RYPEN aims to provide young people with the opportunity to develop their leadership potential, alongside their peers in a supportive environment. RYPEN encourages awardees to explore their ideas in problem solving, team and group activities, and gain experiences that will assist them in forming their own values and moral standards. As a part of this, RYPEN is about building confidence and developing skills to cope in a range of situations.
 - RYPEN is also about having fun and broadening the cultural, social and academic horizons of participants.
-

What will we do at RYPEN?

- The activities at RYPEN include workshops, talks, outdoor activities, problem solving, hands-on activities, sports and entertainment.
 - Participants will be given an opportunity to learn from achievers in the worlds of business, sport and entertainment
 - Presenters will speak at keynote sessions and workshops and share their experiences with participants, while emphasizing the need to work hard and stay focused.
-

What will they gain from attending RYPEN?

- RYPEN aims to deliver the following outcomes:
 - Increased motivation and improved life skills.
Better self-image and more pride in themselves.
 - An understanding of setting and achieving goals.
 - The confidence to overcome failure and take control of their future.
