HYPOTHETICALS

SCENARIO 1

Scenario 1 – You are on your Club Board and as always, just prior to your Club AGM a call goes out for nominations for a new President – a relatively new Members indicates that they are interested, but there is a quiet rumbling amongst some of the older members that this person is too pushy and their "bossy" style will cause a rift in the Club....how would you address this??

SCENARIO 2

Scenario 2 – Your Sergeant-in-Arms is a friendly soul and loves a laugh and a joke. The fines given out often relate to personal observations about various members and although some members find it amusing you notice that at times these comments cause discomfort to certain members....how would you address this??

SCENARIO 3

Scenario 3 – You are approached by your local Council to assist with parking at their upcoming event. They have a request, however, that a certain Member not be involved, given that a number of complaints were received after an earlier event about the rudeness of this particular Member to the publichow would you address this???

What is PCYC?

- Police Citizens Youth Clubs is one of the largest youth organisations in Australia. In NSW, PCYC is a not-forprofit community organisation, working in partnership with NSW Police, young people and the community.
- Local PCYC Clubs provide a range of sporting, recreational and educational programs to youth in their region in a safe and secure environment. By helping young people learn new skills and encouraging their participation in the various programs that focus on values and community involvement, we are also helping them to grow as individuals and providing them with the experience necessary to make positive, proactive life choices.

Guiding young people in the right direction since 1937

PCYC and Rotary History

PCYC's vision is that of Founder and Rotarian William John Mackay – Commissioner of the NSW Police Force in 1937.

In establishing the first Police Boy's Rotary Club in Woolloomooloo, Sydney, Commissioner Mackay envisaged a centre whereby Police and civilians would work side-by-side in partnership for the betterment of youth in the area.

Recent signings of MOU's with Districts 9675 and 9685 help to reinforce and re-establish the traditional links between Rotary and PCYC.

With MOU's in place, it is envisaged that both organisations will benefit from increased exposure and public awareness of the work of Rotary International and PCYC, increased membership and public support for our charitable and benevolent works.

BLUE STAR is a youth development and leadership program created by PCYC to assist in creating "young leaders for tomorrow" in our local communities. Time4Kids events

Time4Kids plays an integral role in the overall fund-raising program for PCYC raising valuable funds, awareness and in-kind support for PCYC.

Events take the format of;

- Jail Time,
- Dinner Time
- Sport Time

All proceeds raised support local PCYCs who work with young people "at-risk" and young offenders to develop a safer community and engage our youth in meaningful programs to develop a sense of belonging as well as general youth development programs.

Guiding young people in the right direction since 1937

How can you help?

- Engage with your local Club The Club manager will welcome your interest and is available to present at a Rotary meeting.
- Volunteer your time to help with PCYC fundraising events
- Make a financial contribution to support our programs with kids in the local area.

Rotary Clubs have the opportunity to make a difference by supporting youth at a grass-roots level, knowing the funds which are raised at each Club are dedicated to localised projects.

We look forward to the opportunity to work with the respective Rotary Clubs to develop meaningful partnerships.

Thanks for your time today. Enjoy the rest of your District conference.
