“For the purpose of doing good in the world”

- Then President Arch Klumph proposed to set up an endowment in 1917.

The first contribution to the endowment was from the Rotary Club of Kansas City, Missouri, for $26.50.

The endowment is the precursor to The Rotary Foundation, the not-for-profit philanthropic organisation that supports Rotary International.

End Polio Now - Update

PDG Bob Aitken
Lower Blue Mountains Rotary Club
THE RISE AND FALL of POLIOMYELITIS
1916  First major polio epidemic in USA, 27,000 cases, 6,000 deaths

1929  Franklyn D Roosevelt contracted polio at 39. As President he proved to be a huge asset to the polio campaign

1934  LA epidemic, 5% of Doctors and 11% of Nurses treating patients contract the virus.
1940  Australian Nurse Sister Elizabeth Kenny leads revolution in the treatment of polio by advocating the use of hot packs instead of stretching limbs

1955  Dr Jonas Salk’s trials injectable vaccine on 1.8 million children

1970  Dr Albert Sabin develops oral vaccine which quickly becomes vaccine of choice
THE RISE AND FALL OF POLIOMYELITIS

1985 • 350,000 cases of polio each year with thousands of deaths and disabilities

• RI launches campaign after Dr Sabin speaks to Rotary Leaders at the International Assembly in Nashville USA

• Decision made after successful trial in the Philippines

• Inspired by our own RI President Clem Renouf
2014 359 cases of polio

2015 74 cases, India and Africa declared polio free

2016 Pakistan and Afghanistan remained – BUT in August 216 there was a major set back with 2 new cases of the Wild Polio Virus. There have now been four such cases in this previously inaccessible area.
Since 1985, Rotary has raised and invested $1.8 billion in the campaign with governments around the world like the USA and India expending billions more.

The Bill and Melinda Gates Foundation has contributed in excess of $1 billion to the almost $10 billion raised worldwide.
In India, at the peak of the campaign 2012/13, every two months:

• One National Immunisation Day (NID) conducted
• 2.5 million volunteers take part
• 500 special Rotary Booths set up to organise NID’s
• 180 million children immunised in 8 hours
What Now?
Are we prepared for the ENDGAME?
Still much to do

- Some 400 million children immunised annually in 60 countries
- 150,000 polio funded workers in 70 countries
- Introduction of the Inactivated Polio Vaccine for routine immunization in 126 countries
- Disease surveillance activities continue in 70 countries – with the Nigerian discoveries providing proof of the effectiveness of the campaign
ONGOING FUNDING ABSOLUTELY VITAL

- US $5.5 billion required to fund the Global Eradication Program through 2019
- Confirmed resources amount to US$4.28 billion – leaving a gap of US$1.22 billion
- Magnificent support from the Gates Foundation continues to fund the campaign on a 2 for 1 basis up to US$35 million for the next 3 years.  
  Rotary’s challenge is to raise US$35 million which will be matched with a further US$70 million
ROTARY’S FUNDRAISING GOALS

• All Districts worldwide are encouraged to donate 20% DDF each year for 3 years

• Donations of $2,650 are requested ALL Rotary Clubs – maintaining the link with Arch Klumph’s original donation from 1917 International Convention to launch The Rotary Foundation

• Further, a personal donation of $26.50 is requested from ALL individual Rotarians

• Special fundraising functions/promotions are encouraged within all Clubs and District
PLAN NOW FOR THE YEAR AHEAD ...

No time for ‘POLIO FATIGUE’ we are now launching a special fund raising initiatives for 2017/18 ...
END POLIO NOW

WORLD POLIO DAY - OCTOBER 24

We urge all District Governors to work with their Club Presidents to plan now to lock in World Polio Day, October 24 as “END POLIO NOW Soup Saver Day” in 2017!

The simple concept comes from our Rotary friends in Switzerland –

‘Every club meeting during the week of October 24, 2017, will agree to pay $15 for a ‘Soup Saver’ meal ... $5 to cover cost of soup and bread role AND $10 to be a personal donation from EVERY member to END POLIO NOW’
ROTARY’S BIRTHDAY - FEBRUARY 23, 2018

Then, we repeat the special meal exercise on February 23, 2018, to celebrate Rotary’s birthday.

‘This time, the meal will be coffee and cake for the same ‘sacrifice price’ of $15 per head - $5 for the coffee and cake with the remaining $10 again providing a personal donation from every member to END POLIO NOW’

Such a simple concept has the ability to raise more than $750,000 if endorsed by all clubs and Rotarians across Australia and New Zealand – not to mention a massive $24 million if adopted world wide!
THE END RESULT

The of course we add the Gates ‘multiplier effect’ ............ $750k from Australia and New Zealand becomes $2,250,000*; and $24 million worldwide becomes $72 million*!!!

DARE THE DREAM FRIENDS ..........

*Figures show are estimates in a perfect world
Decades after polio epidemics in Australia it is estimated that some 400,000 people are suffering from “Late Effects of Polio” (LEoP) or Post Polio Syndrome (PPS).

District 9685 was pleased to partner with Polio Australia to provide vital community service by way of educational workshops for health professionals.

Eight Workshops were held and provided guidance in the management and treatment of LEoP and PPS.

If LEoP not identified, symptoms can worsen rapidly due to incorrect care.
Thanks to everyone involved with the workshops in particular Polio Australia, Polio survivors and the young health professionals who gave up their time to participate.

Thanks also to the Rotarians of the world who continue to work tirelessly for Polio Eradication.

Other popular problems

- Project already started
- Insufficient time
- Host District or Club will not Authorise
- Prohibited country
- Insufficient funds
- Insufficient sustainability
- Insufficient measurement
- No community involvement
- Incomplete application
4. ROTARY CLUBS, PARTNERS, AND CO-OPERATING ORGANISATIONS

- Must be an International Rotary club (Australia) and a Host Rotary club in the Country (district) of the project
- Host club is not required to put in any cash, but it is recommended they put something towards the project
- Ideally the Host district will contribute DDF
- Involve other clubs in this district and the host district
- The project must not be started until the grant is approved
- Check conflict of interest rules – re suppliers, partners etc
- Partners will need to sign a MOU
- Cooperating Organisations – no TRF match
