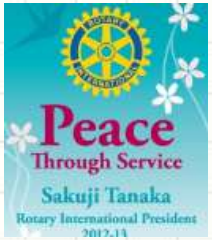
Club & Position:

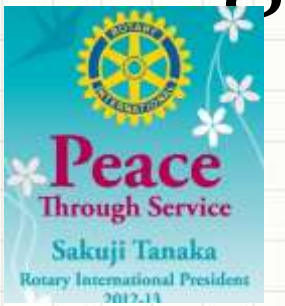
Major Project Title:

Your expectation/needs from this session:



WHAT IS INTERNATIONAL SERVICE?

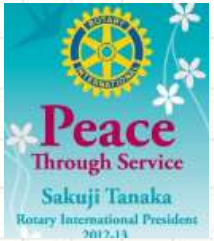
It is our voluntary service - Rotary's humanitarian work to change lives in communities throughout the world and promote world understanding and peace.



PURPOSE

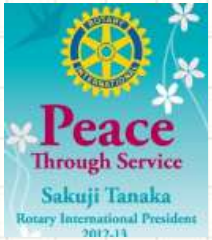
.... stimulate interest in diverse International Service projects

.... assist club International teams with coordinating and implementing projects and working with other clubs for the benefit all concerned.



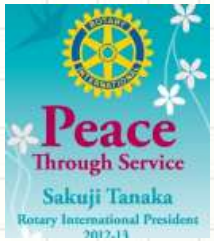
GOALS

Promoting the many and varied **International Service Projects** currently active in our District and Region.



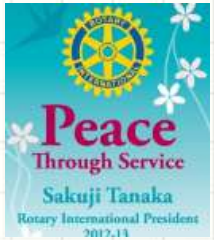
GOALS

Encourage participation by all clubs in International Service projects and programs. To do this, The District International Service Committee will:



GOALS

1. **Connect Clubs** - and to share information - so that we can work cooperatively to continually improve our service to other communities.

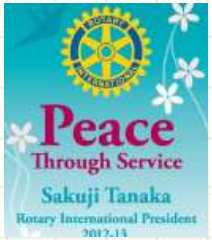


GOALS

2. **Collaborate** on larger projects to benefit the countries & communities we serve

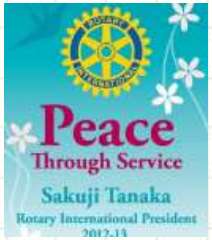
GOALS

3. Start connecting with projects in District 9690 as we move towards the formation of a new **District 9685** in July 2013.



GOALS

4. Provide information, resources and tools to club International Service Chairs through good communication using various IT sites and training opportunities.



GOALS

5. Connect Rotarians who have expertise with specific project types to save us all re-inventing .....
