SkillsOne Television is broadcast via
Aurora Channel 183 on Foxtel & Austar, and TV4ME
Channel 74 on digital free to air

There are over 40 episodes broadcast every week
across the three networks

The 30 minute episodes are engaging and
encourage people to consider a skilled career or a
trade as an alternative to university.

National Skills Week

August 27 – September 2

Hands and Minds - The DNA of skills and trades

“Australian Apprenticeships, especially traditional trades are an undervalued career choice and often described in negative terms.”

“There should be a strategy to lift the status of apprenticeships and traineeships as representing a pathway towards a satisfying career.”

Apprenticeships for the 21st Century
January 2011

Primary Objectives

- National celebration of vocational qualifications. Shine a spotlight on the achievements of practical learners.
- To highlight the talent and skills of apprenticeships to the wider public and employers (WorldSkills).
- An opportunity to celebrate vocational qualifications taken by people of all ages and at all levels.
- To showcase and profile Registered Training Organisations, Trade Schools (VETiS), Group Training Organisations and Employers.

Primary Objectives cont.

- Focus on the vocational landscape, its diversity and the opportunity for young and old.
- To showcase industry and the sector (TAFE) working together to increase positive economic outcomes.
- To engage and persuade employers of the advantages of employing and supporting Apprentices.
- Wider benefits sought include motivating more entrants to the workforce with an appreciation of the “Australia at Work”, raised skills within the adult workforce, re-skilling to address the challenges of change and productivity.
