Rotary District 9685 Conference - 2015

Our Saturday Night Theme is "The Roaring 20s"

The Charleston became popular in the 1920s, during the era of jazz music, speakeasies and flappers.

It was danced to ragtime jazz music in a quick-paced 4/4 time rhythm, the dance quickly became a craze around the world.

It was a physical representation of the uninhibited enthusiasm many of the young people of that generation wanted to express.
