# How to find and download your Club's Photos on the D9685 Flickr site

- Go to https://www.flickr.com/photos/rotarydistrict9685/

- Type your club's name in the search box above the first line of photos, then press enter
- Select the first photo you wish to download

- In the bottom right hand corner, select the down arrow
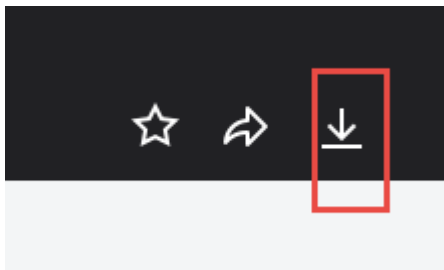

- Select the size you want to download; the photo will be saved to your downloads folder or a folder of your choosing depending on your operating system

- Repeat for additional photos required.
