Save the Farm

Help Central Blue Rotary Save the Farm

Central Blue's Save the Farm project is running in conjunction with Rotary District 9630, southern Queensland. Our plan is to assist farming families between Walgett, northern NSW and Longreach, Queensland who are doing it tough because of severe, prolonged drought conditions in the region.

Money raised from the sale of cute, cuddly rams and lambs plus donations goes to a D9630 trust fund. Farming families in need are offered money vouchers for use in nearby towns, thereby helping them and the local economy. Rotary clubs wishing to assist can purchase rams and lambs or obtain them on consignment.
