Welcome to our monthly eNewsletter

Women and children, have become refugees in neighbouring countries. The UN is reporting a massive funding shortfall and we know that agencies like ShelterBox do all that they can to help.

Raising funds can be as simple as organising a 'Socks for Syria' event. Ask your friends and colleagues to wear odd socks for the day. It's simple as that. Remember, all donations count, big or small. Meanwhile our Operations Team continue to work with partners in the neighbouring host countries.

As you can see from below, relief operations also cover
