

District 9685 & District 5020

“Seattle *is coming to* Sydney”

Rotary Friendship Exchange During November these Rotarians and partners from District 5020, USA & Canada will be in our District. The purpose of RFE is to meet Rotarians from a different country, a different geographical region and a different culture. *We'd love you to join our party!*

Can you home host our visitors?

Take the opportunity - host for up to 4 nights.

Please contact us for more details (see below).

All District 9685 Rotarians are invited to:-

- **Coordinate the program in your Zone** – support us in managing an area of District 9685.
- **Home host** – enjoy a cultural exchange in your own home with people from this part of the USA or Canada
- **Be a host for a day** - arrange an outing for the group and their host families – show off your part of the world!
- **Hold a function** – welcome dinner, bbq or other event to introduce our Rotary friends to your community.

CONTACT us to participate.

We have personally made some great friends over the years, and from very different parts of the world. Most recently was a team from India - many people will remember them. We plan a follow up visit to India next year. Maybe some of us can go to Seattle later too? Join us in this new opportunity for fun, friendship and development of international understanding and peace in the world.
