BRAND CENTER: Get Started

1. You can create your own club and district logos featuring Rotary's Masterbrand signature and see your edits in real time.
2. You can develop professional-looking PowerPoint presentations, press releases, and newsletters that incorporate Rotary's visual identity. Templates can be customized as much -- or as little -- as you want.
3. You can find guidelines for using Rotary's logos and answers to frequently asked questions about our new visual identity. For instance, did you know that your member pin remains unchanged? Or that free fonts are available along with the commercially licensed options?
4. You can upload and store the materials and logos you create for future use by creating a basket. Use the Quick Share function to email your basket and share your new materials with members.
5. You can download broadcast-quality public service announcements, videos, and images to help tell Rotary's story. Choose from a variety of topics to illustrate including Join Connect to your District and showcase your community.

A brand is more than a logo. Rotary's brand is much bigger than its wheel shaped logo – but that logo is highly recognizable. It's a perception of how others think about us, not just how we see ourselves as Rotarians.
