“IMAGINING Success to Significance - Making Impact”

Join us for a fireside chat led by our own Herb Ritter with change-maker Randy Haykin, on ways to envision moving life from Success to Impact and Significance.

Randy had a successful 35-year career as an executive at IBM, Apple and AOL, was a founding VP at Yahoo, created/ran a VC Fund (Outlook Ventures), and taught at UC Berkeley’s Haas Business School.

Since 2010, Randy has leveraged his background to create Impact on others. He created The Gratitude Network
