

Coronavirus Town Hall Webinar

Vaccines, Variants & Vacations - Getting Back To “Normal?”

Thursday, June 10, 2021 - 5:00-6:30 PM

This week District 5170 will host an online Town Hall with a panel of experts to discuss challenges our Rotary Clubs and communities face as we begin the return to “in-person” meetings and events. Registration required at: <https://us02web.zoom.us/meeting/register/tZ0uce6oqT8sGNLDz3BF0QF2dTP6u0lNVaIM>.

You may submit questions in advance by clicking on this link: <https://tinyurl.com/tkmf8v2p>, or you can ask questions through Zoom Q&A during the event. A recording will be available later on the District website.

Moderator:

Jack Higgins, MD

Chair, Rotary District 5170 Coronavirus Response Task Force
Co-Chair, Los Altos Rotary Climate Action Committee (LARCAC)
President & Chief Medical Officer, Global Telehealth Network (GTN)
President, RotaCare Bay Area free medical clinics
Vice President, Child Health & AIDS Prevention (CHAP) (formerly Los Altos Rotary AIDS Project)
