

Get ready for a new ClubRunner

For over 20 years, we've had the privilege of serving thousands of Rotary clubs and districts worldwide. Our commitment to innovation has fueled extensive reinvestment in the next generation of ClubRunner. We've been hard at work on a new version of ClubRunner that will redefine the landscape of Rotary software and we can't wait to unveil it!

We're excited to announce **ClubRunner Nova**, a brand new version built on modern architecture - rolling out to Rotary clubs and districts in late 2024.

Our mission is to help Rotary clubs and districts thrive with software that empowers members to achieve their goals. We've listened to your valuable feedback and incorporated current best practices and a better user experience. This new version embodies our vision for modern software that is powerful yet easy to use, and serves as a solid foundation for the future.

Join us on **Thursday, February 15th at 6 PM EST** as we unveil the new vision for ClubRunner and outline our roadmap for the journey ahead.

Thank you for allowing us to be your trusted partner. We look forward to building a bright future together. Stay up to date and join our beta group at www.clubrunner.com/nova.

It's time for modern software that's powerful and a delight to use.
It's time for ClubRunner Nova.
