From District Governor Angie Hassler

The Rotary Theme for the Month of February is "World Understanding." Here is an excerpt from The ABC's of Rotary. This booklet originated as articles written by RI President Cliff Dochterman (1992-1993) for the weekly bulletin of his Rotary Club. This is a wonderful resource for new and "seasoned" Rotarians!

"The month of February is very special in the Rotary calendar since it is designated World Understanding Month. The month also includes the anniversary of the first meeting of Rotary held on February 23, 1905, now designated World Understanding and Peace Day... World Understanding Month is a chance for every club to pause, plan and promote the Fourth Object of Rotary--Rotary's continued quest for goodwill, peace and understanding among people of the world."

Many of our clubs and their representatives are already participating in activities, promoting world understanding through humanitarian service in support of a variety of international and local projects. During the month of February, many of our members will have traveled to Guatemala to not only participate in Uniendo America but extend their trips to include visits to their project areas. We look forward to hearing a report from these ambassadors at March cabinet meeting.

As Paul Harris, the world's first Rotarian said: "The Rotary way works! But Rotary has no patent on it, for it is but the Golden Rule in action. Any person, any nation can apply it by displacing negative hatred and fear with goodwill based upon understanding. Peace among nations is not impossible of attainment; they can find peace if they will."

When one reaches the age of 109 years it is natural to dwell on one's accomplishments. We all enjoy the fond memories of past successes and feel content with our lives. That is the way it should be and it is well deserved.

However, if in the midst of our celebration we are not planning new projects, which will benefit mankind somewhere, we are living in the past and not in the future. World Understanding and Peace is about Rotarians living in the future while learning from the past.

As Rotarians we know what to do. It is our responsibility to contribute to a world where people can receive clean water and have adequate sanitation; a world where we try to prevent diseases; a world where we care for maternal and child health; a world where people may receive basic education and literacy; and create a world that contributes to economic and community development. Through the above we can develop World Understanding which will allow us to work towards peace and conflict resolution.

This is the month to expand your club's "World Understanding" as a way to embrace the broad mission of Rotary by Engaging Rotary and Changing Lives.

Angie

Club Corner

The Rotary Club of F.U.N. Sunset hosted its 8th annual Lunar New Year celebration February 9th, with a 10 course banquet and an authentic Lion Dance to ring in the Year of the Horse. There was a great turnout, including many visiting Rotarians.

The Rotary Club of Silicon Valley STAR (Silicon Valley Turkish American Rotary) will be holding a fabulous fundraiser dinner on Sunday, March 2nd at Taverna Bistro, 133 S. Murphy Avenue, Sunnyvale beginning at 5pm. 15% of all proceeds will go back to the club and the projects they support in Turkey. Join them for a great evening of organic Mediterranean cuisine.

The Rotary Club of Los Altos will host a Cioppino Feed, March 7th! Click on the flyer below for more details.

Come to our [Welcome Home Veterans Project](http://www.lacioppino.com) fundraiser (see www.lacioppino.com) and be ready to taste the best Cioppino you will ever have! Crab, prawns, and clams in thick tomato gravy. Or have lasagna from Alloto's Deli.

Menu: Caesar salad, French bread, a bowl or two or three of Cioppino, and Lasagna. Sangiovese and Pinot Grigio wines
\$70 per person

Go to the Los Altos Cioppino website for more information

<http://www.lacioppino.com>

Signup on the Rotary Clubrunner site or on the Los Altos Cioppino website, or email dave@serenogroup.com

The Rotary Club of Gilroy had a Charitable Giving Award Day in January. The club gave away over \$40,000 to over 40 local organizations. The club raised the funds through the Rotary Syngenta Flower Sale and the Garlic Festival Wine Tent.

The Rotary Club of Castro Valley was recently named the Hayward Area Recreation District Community Organization of the year. Congratulations Castro Valley Rotarians!

RotaCare 25th Anniversary Celebration!

RotaCare Bay Area Inc. is a non profit organization that provides free quality healthcare services to those who are uninsured. The organization was formed in 1989 when local Rotarian, Dr. Mark Campbell and the Campbell Rotary Club identified the need of many local residents who had limited access to primary healthcare services. Since then, RotaCare Bay Area has grown to 12 free medical clinics, five of which are located in District 5170: San Leandro, Mountain View, San Jose, Gilroy and Santa Cruz.

2014 brought many changes to health care insurance in the United States. However, even with the Affordable Care Act in place, California is estimated to have almost 4 million residents who will still not have health insurance or an affordable option for health care.

RotaCare Bay Area, Inc. harnesses the skills and hearts of over 1,600 volunteers who donate their time to provide basic primary health services free of charge to the patients. Last year we had almost 29,000 patient visits. Without RotaCare, our patients would have no choice but to use hospital emergency rooms as their source of primary care.

Join us at our 25th Anniversary Celebration

RotaCare Bay Area, Inc. will be celebrating its 25th Anniversary with a Gala Event held at the Santa Clara Marriott on April 10th. Our theme is "Honoring our Volunteers". Our goal is to have a representative from each Rotary Club join us at the event to show Rotary support. San Jose Rotary and Los Gatos Morning Rotary are sponsors of the event and we welcome any other interested Rotary clubs to become sponsors as well. For event information, sponsorship and tickets, please visit our website at www.rotacarebayarea.org.

How You Can Help

Our clinics need volunteer physicians, nurse practitioners, physician assistants, nurses, pharmacist, interpreters, social workers and general administrative volunteers. To find out about rewarding volunteer opportunities, call RotaCare Bay Area at (408) 379-8000 or visit our website at www.rotacarebayarea.org.

We always appreciate financial contributions to cover the costs of medical supplies, lab fees, x-rays, medications, insurance and other administrative costs. We offer flexible giving programs.

We thank you for your valuable time and consideration of RotaCare Bay Area, Inc. We are committed to making your community healthier, happier and more productive, one patient at a time.

RotaCare Bay Area, Inc.

PolioPlus

*"There is only one pretty child in the world,
and every mother has it."*

—Chinese Proverb

Simply by purchasing Mother's Day cards, specially produced by District 5170, Rotarians have an opportunity to donate to and spread the word about PolioPlus! The card features the image and saying above and includes an envelope. **Each Card costs \$10**, with credit given to those purchasing the cards by The Rotary Foundation. Ask your TRF Chair about the cards today or contact District PolioPlus Assistant Chair Charlie Wasser for more information. charliewasser@att.net

"ROTARIANS ARE THE BEACONS OF A SIMPLE TRUTH:

That the key ingredient to making a peaceful world is the understanding that all people, no matter where they live, are equally precious." ~William Gates Sr (Father of Bill Gates)

Leadership + Involvement = Club Growth

By Lee Denlinger, RC of Dublin

The adage, *Lead by Example*, would be an apt descriptor for **Helen Kennedy**, current President of the Rotary Club of Fremont-Union City-Newark (F.U.N.) Sunset. "I like to experience the things I ask others to do," Helen states. "Even when I injured my knee last year, I still went to our *Make a Difference Day*. I couldn't dig out bushes at Meyer's Estate at Dry Creek Regional Park, but I did use my creative skills by photographing the event and showcasing the work of our members." To be successful, the unique talents and abilities of each club member are put to good use.

Her commitment to being involved seems to be translating into club growth. This month the F.U.N. Sunset Club will induct its twenty-third member, up from 8 members in 2009. Under Helen's leadership, the club has inducted seven new members this Rotary year alone.

Helen has an extensive background as a leader in local community affairs, and through her "hands on" approach knows a lot of potential Rotarians. "I like to talk about Rotary and the good that we do locally and internationally. I invite people interested in helping others to attend our meetings and check us out, but usually they come to us because they can see how much fun we have doing it."

Helen is now leading F.U.N. Sunset toward greater involvement in the community. They sponsor the Interact Club at Logan High School, host an annual speech contest, support *Centro de Servicios* and Magnolia House, support the Hayward Animal Shelter with *SantaCon*, and volunteer with East Bay Regional Parks. Additionally, the club is sponsoring an international service project with the DSET Public School in Ballia, India, where the goals are to provide clean drinking water, improve health and sanitation, and develop literacy (see next page).

Since early 1970, Helen has been volunteering in the East Bay. As a teenager, she worked on charity projects at Our Lady of the Rosary Church and volunteered at St. Rose Hospital. Later, she was a very active parent involved with her son's schools and their activities. Helen is a Board member of the Union City Friends of the Sister Cities, and a planning team member for the Sister City Festival. She is Secretary to the Board of Trustees of the Washington Hospital Healthcare Foundation and member of the Union City Chamber of Commerce. She was the President of the Union City 50th Anniversary Celebration Committee.

Helen is a big supporter of education. She was responsible for the endowment of a number of college scholarships. Residual funds from Union City's 50th Anniversary were used to provide scholarships for graduating students at Logan High, and with the Hispanic Community Affairs Council. She also initiated a scholarship from the Rotary Club, and has been on the selection committee for the Lions Club scholarships for a number of years.

She earned her Bachelor of Science degree in Business Administration from California State University East Bay and a Certificate in Leadership Development from the International Leadership Institute in Oak Brook, Illinois. Currently, Helen is CEO of *Kennedy Consulting Services LLC* and provides marketing, strategic planning, communications, web development and social media services to mid to large size companies and funded start-ups, with direct experience in North America, Europe, Asia, and Australia. She has broad experience in a variety of industries, including technology, human resources, health care, nonprofits, food and beverages, and manufacturing. Helen was recently selected to serve as Executive Director of the New Haven Schools Foundation.

A Legacy of Hope

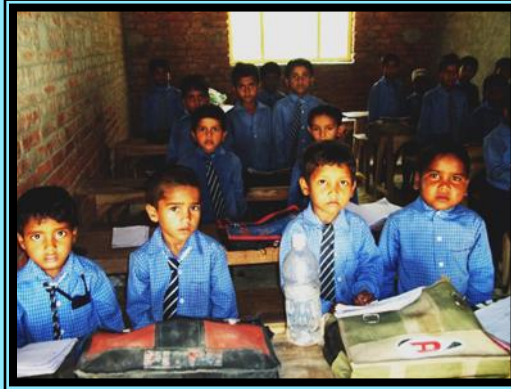

By Lee Denlinger, RC of Dublin

Life is bleak for children born in Sobaibandh in the Ballia District of Uttar Pradesh, the second largest state in northeast India. When born, the little ones are carried to the fields with their parents who pick wheat and rice; when the children turn six, they, too, become part of the labor force. There are no schools or hospitals, no electricity and no potable water. Working as tenant farmers on land owned by a few landowners, the cycle is repeated from generation to generation.

Things changed in February 2011, when the 103 year-old paternal grandfather of **Vijay Tiwari (RC of FUN Sunset)** requested that in lieu of gifts the family offered him to make his life more comfortable, his family deed land they owned in the area for a school.

Two months later, construction for a school started on the site and was open for students later that year (*see photo below*). Called *DSET*, after Vijay's deceased parents Daya and Sumitra, the Educational Trust recruited local literate residents to teach. The initial enrollment of 43 students grew to 367 students within two years. Funded and supported by Vijay and other family members, this school is giving children hope for a future.

"We give the students a uniform, a place to learn and a desk to sit in. The structure has walls and windows without glass. It has an asbestos roof because that is all that we could afford," explained Vijay. "I am telling our story to local clubs and am

overwhelmed with the response. All the clubs in Area 3 have pledged their DDF funds and we hope to eventually raise enough money to qualify for a global grant from Rotary International." It will cost approximately \$50,000 in order to fully fund a new roof that could accommodate solar panels, a well for potable water,

and extension of the present building to accommodate more students. "We try to provide students with a nutritious lunch," states Vijay, "but it is very difficult to do with current available funds." You can read more about this project at the website www.dseducationalociety.com.

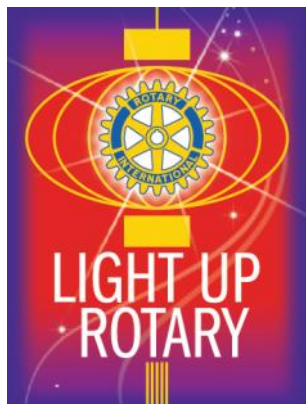

Vijay Tiwari is a critical care physician at Kaiser Hospital in Hayward and uses a portion of his monthly salary to support the school. He is passionate about *DSET* and is available to speak to your club. He can be contacted at vijay.p.tiwari@gmail.com.

Area 3 clubs presented a grant in the sum of \$6350 to the DSET Public School of Ballai, India. **Pictured:** RC of Fremont President Roger Shanks, RC of FUN Sunset President Helen Kennedy, Vijay Tiwari, Area 3 Assistant Governor Lila Bringhamst & RC of Niles (Fremont) President Chuck Canada.

Rotary Business

In January District Governor Elect Ed Jellen joined 537 District Governors Elect from around the world at the Rotary International Assembly for continued training and a look at what is ahead for 2014-2015.

At the Assembly, RI President-Elect Gary C.K. Huang unveiled his theme for 2014-2015,

"Light Up Rotary". Huang was inspired by the teachings of Chinese philosopher Confucius who said: "It is better to light a single candle, than to sit and curse the darkness."

"There are so many problems in the world, so many people who need help. Many people say, 'There's nothing I can do.' So they sit there doing nothing. Meanwhile everything stays dark," Huang told the DGE's and their spouses and partners.

"The Rotary way is the Confucius way. The Rotary way is to light a candle. I light one, you light one,

1.2 million Rotarians light one. Together, we light up the world," said Huang, who is a member of the Rotary Club of Taipei in Taiwan.

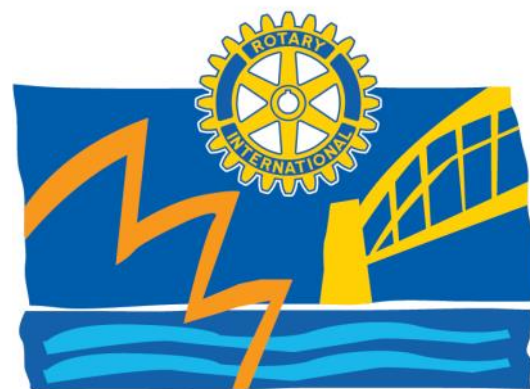

"*Light Up Rotary* is our theme, but it is more than our theme. It is how we live in Rotary, how we think in Rotary, how we feel, how we work," Huang said. "It is how we make a difference — every day, in every club, every district, and every country where we serve."

After announcing his theme at the opening session of the five-day training meeting, Huang urged club members to Light Up Rotary in the coming year by hosting a Rotary Day in their community and including local Rotaract and Interact members in their service projects.

Rotary International President Elect Gary C.K. Huang will be in Fremont on Monday, March 10th at a lunch organized by the clubs in Area 3. Please see the flyer and link on page 5 for further details.

Happy Birthday Rotary!

February 23 marks the 109th birthday of Rotary International.

ROTARY INTERNATIONAL CONVENTION
