

CURRENT NEWS OF DISTRICT 5170 AND THE ROTARY FOUNDATION

FROM THE DISTRICT TRF CHAIR

By PDG Russ Hobbs

O YOU BELIEVE IN MAGIC? When you go on a Rotary Foundation humanitarian trip, you get to see first hand the magic of The Rotary Foundation. Past RI President Rick King says that "TRF

is how God uses ordinary men and women to do his work." Through the magic of TRF, the blind can see, the lame can walk, water is made potable, and the children of the world are made safe from the crippling effects of polio.

If you have never been on a Rotary humanitarian trip, let this be the year that you do. It has been my good fortune in life to go on Rotary TRF polio immunizations, wheel chair distributions, hospital equipment projects, and water projects to places like Chile, Mexico, Ghana, Djbouti, Guatemala, China, Cambodia, Laos, and next week, Puerto Rico. When you go on one of these trips, you get to see "THE MAGIC" of how the dollars we raise for TRF can impact other lives around the world. And, if it is financially possible, bring your child or grandchild along for the ride. It will open their eyes to other countries, cultures, and customs in ways that they can never get in the classroom. It may also give them a new appreciation of their lives back home.

We have all been on "Four Star Hotel" vacations and cruises where we sit around the pool and drink those drinks with the umbrellas, waited on by people who are "cordial." But, when you go on a Rotary

Continues on next page

humanitarian trip, you are met by Rotarians who treat you like a long lost member of the family. They care and appreciate you because, you too, are part of the Rotary family. And your support for The Rotary Foundation is bringing change and hope to their community. They are therefore anxious to invite you into their homes, where you will feel safe. Also, they are happy to show you places in their community that you won't find in your "Rick Steves Travel" books.

I will never forget sitting on the banks of the Red Sea, sipping tea with the US Ambassador and my fellow Rotary travelers, after installing a cardiac care unit in a hospital in Djbouti Africa. To this day, that TRF project is still saving lives each year--That is the Magic of TRF. I can't wait to see what adventures await me and my Rotary group leaving this Sunday for Puerto Rico, and I can't help but wonder what adventures await you when you "Get On Board" your next TRF Flight #5170 Magic Carpet Ride.

I believe in magic--do you?

District Governor Tim Lundell

Who Are the District 5170 Super Stars for a Record 2018-19?

As we near the final stretch of our 2018-19 Rotary Year, we are in hot pursuit of the record year completed just ten months ago! Yes, as I write this message, we have just slipped over the \$1,000,000.00 mark in Total Giving, and I am confident that all of you will reach just a little bit deeper to take us to \$1.2 Million+ and a new record for

District 5170. Of course, each year we depend on contributions from every Club and every Rotarian, and this year is no different. But getting our totals to a new level depends on many contributors going over and above the minimum. This year we have some standouts that I would like to recognize (although there is still plenty of time for others to get into the headlines!)

• Highest Percent of Annual Fund Goal: Fremont Morning (418%); San Jose Silicon Valley (337%); Los Altos Sunset (155%); Oakland #3 (147%)

• Highest Annual Fund Total Giving: Oakland #3 (\$61,880); Cupertino (\$56,918); Los Altos (\$35,685)

•Clubs with Highest % EREY: Los Gatos Morning (96%); Mountain View (88%); Livermore Valley (84%); San Lorenzo Valley (79%)

• Highest PolioPlus Giving: Capitola Aptos (\$53,250); San Lorenzo Valley (\$35,950); Scotts Valley (\$35,100); Livermore (\$16,525)

And there's more: We are currently the leading District in Zone 26 in Total Giving, Annual Giving, Per Capita Giving, and PolioPlus Giving. So let's finish the year as #1, #1, #1 and #1!

Area 6 Computer Lab in Guatemala By PDG Susan Valenta

or over 10 years, the Rotary clubs of Almaden Valley, Morgan Hill, Gilroy Sunrise, Gilroy noon, San Juan Bautista, and Hollister have pooled their District Designated Funds (DDF) in order to fund larger, more sustainable projects. The clubs have a strong collaboration through their World Community Service (WCS) committee in Area 6 and were way ahead of the funding thresholds The Rotary Foundation (TRF) enacted a few years ago.

Of course, the participants on the WCS Area 6 committee are passionate about International Service and equally passionate about maximizing the use of all their DDF. So, Confession #1: when my term as District Governor began, TRF's grant process was a steep learning curve; Confession #2, I joined my club's International Service Committee to learn how our DDF funds are used by partnering with Rotarians in the developing world in general, and in Guatemala in specific; and Confession #3, the learning continues, but the scope of TRF's Global Grants and the positive impact on the lives of others throughout the world makes this one of the best aspects of being a Rotarian.

Clubs throughout our Rotary District 5170 are fortunate in many ways. Many Rotarians are surprised that not all Rotary Districts allocate the pro-rata share of DDF to clubs like we do. Because of that allocation, each club is given a tremendous amount of leverage in using DDF for community service or international service. To augment the process, we have dedicated volunteer leaders who are experienced in locating viable projects, writing grant proposals, and finding partner clubs to help build the needed funding capacity to qualify for a Global Grant. For many of you reading this article, Rotarians like Cecilia Babkirk, Jon Winston, Peter Anderson, and Lorena Touhey have provided a treasure trove of information and support.

And that leads this article to describe a TRF Global Grant project that the Rotary Club of Gilroy had funded through our WCS Area 6 collaborative. In 2016, our Gilroy International Service Committee agreed to partner with the Club Rotario Nueva Guatemala in District 4240 to provide a computer lab and learning modules in six schools. Titled 'EduTech', the project goal was to decrease

Continues on next page

youth violence by increasing access to education. It also enlisted the support of the local Rotary Club, Rotaract, Interact, and an educational Foundation.

Our Gilroy International Service Committee 'pitched' the project to the Area 6 WCS committee, and with our combined DDF and the 1:1 match from TRF's Global fund, we had almost enough resources to fund the project. With the strong collaborative spirit of Rotary District 5170, additional unused DDF from the Rotary Club of Alameda made it possible for us to qualify for this TRF Global Grant.

Having a chance to experience the grant process first-hand reinforces why my commitment to TRF is so important. Every dollar makes a difference, and that difference is the positive change we are making in the lives of others.

'You look at things you enjoy in your life, but much more important is what you can do to make the world a better place.' Paul Allen (1953-2018), Philanthropist and Co-Founder of Microsoft.

And a new computer!

Your fellow Rotarians would love to hear about any projects in which your club, group of clubs, or area participated in or is working on, funded in whole or in part by The Rotary Foundation. If you might be interested in submitting an article for our "Around the Clubs" feature, please let me know. (Project related photos are very welcome.)

Ed Jellen, Editor, TRF News Today; EdJellen@gmail.com

By Pat McMenamin, Paul Harris Society Chair

aul Harris, founder of Rotary, was a prolific writer. He wrote of the organization's formation and philosophy, and — in *My Road to Rotary* — first published in 1948, he wrote about his own life.

Recently, I read the foreword of Paul Harris's book: *My Road To Rotary*. Given the context of currents events in 2019, I was deeply inspired by the breadth of his perspective:

Paul P. Harris, the boy and the man — in his own words.

"Nearly all that I know of New England folks and New England mountains and valleys is

the result of observations made through the eyes of a boy. The boy, of course, is myself but so many years have passed since the period of the young boy that the old boy can think of him as a personality apart from himself. Naturally I know the little fellow very well. Yes, I know well of the dreams, mysticisms, impetuosities and rascalities of which he was made. They were peppered with impudence and sweetened with love of the beautiful world in which he found himself and with love for his aged grandparents who made for him a home..."

"Some folks go to the mountains for inspiration; some for rest.

Learned men write of the mountains, poets sing of them and artists paint them. The boy takes them all in his stride."

"It is sometimes said that the boy is father to the man; he leads the man along pathways which his feet have trod. The man can never get far away from the boy. What the boy loved, the man loves. Gleanings of the boy shape the course of the man.

"The writer of this book has especial reason to be grateful for what the boy taught him. Love of life in the country; the...importance of education and devotion to high ideals. The boy taught the man the necessity of being tolerant of all forms of religious and political faiths. He taught him not to be too critical of the views of others, whatever those views may be. The boy taught the man of the joys of neighborliness and friendliness and good will toward all. It took considerable time for these lessons to sink in — the grown-up boy was too busy having a good time — but I am glad to be able to say that eventually the man took the teachings of the boy seriously and tried to extend them to all ..."

Paul P. Harris; Chicago, October, 1945

You can support the vision of Paul Harris by becoming a member of The Paul Harris Society. *(See next page for more information.)*

The Rotary Foundation transforms your gifts into service projects that change lives both close to home and around the world.

Since it was founded more than 100 years ago, the Foundation has spent more than \$4 billion on life-changing, sustainable projects.

With your help, we can make lives better in your community and around the world.

Our mission

The mission of The Rotary Foundation of Rotary International is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

What impact can one donation have?

- For as little as 60 cents, a child can be protected from polio.
- \$50 can provide clean water to help fight waterborne illness.
- \$500 can launch an antibullying campaign and create a safe environment for children.

ROTARY TRIVIA

Trivia Question No. 1: Where was the first Rotary Club in South America chartered:

- (a) Santiago, Chile;
- (b) Rio De Janeiro, Brazil;
- (c) Montevideo, Uruguay;
- (d) Buenos Aires,
- Argentina; or
- (e) Lima, Peru?

Trivia Question No. 2: Where did R.I. hold its first international convention outside of the U.S.:

- (a) Edinburgh, Scotland;
- (b) Toronto, Ontario;
- (c) Dublin, Ireland;
- (d) London, England; or
- (e) Bermuda, U.K.?

Answers can be found on the last page of this Newsletter.

Carson Smith is from Chicago and a tribal citizen of the Choctaw Nation of Oklahoma. She is a fourth-year student at Stanford University, where she majors in Political Science, minors in Native American Studies and will receive honors in Democracy, Development and the Rule of Law. Carson acts as a co-chair for the Stanford American Indian Organization and a Social Justice Fellow at the Native American Cultural Center at Stanford. Additionally, she also sits on the Advisory Committee for the Native American Rights Fund's Indigenous Peacemaking Initiative. Her research has focused culturally-competent primarily on conflict resolution mechanisms, called Peacemaking, in tribal

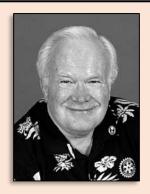

communities throughout the United States.

Outside of her Peacemaking work, she is often completing community service through working with tribal communities. She has gone to the Rosebud and Pineridge reservations to learn about culturally-based healthcare and education initiatives and volunteer with Native youth in the area through organizations including the YMCA. Additionally, she has worked with her tribe as they developed their Peacemaking system and is currently collaborating with tribal communities through her honors thesis on Peacemaking. The results of her thesis will be provided to all of the tribal communities she is working with so that they may apply these findings to their Peacemaking systems. On an international level, Carson has presented her work and the importance of cultural methods of conflict resolution at the Caux Conference on Just Governance for Human Security in Switzerland. While there she built relationships with other indigenous peoples around the world and learned about their communities and cultures.

In the autumn, she is excited to begin a Master in Philosophy in Socio-Legal Research at Oxford University. Her area of focus is Peace and Conflict Prevention/Resolution with a specific goal to end ethnic tensions. At Oxford, she will research the impact of restorative justice mechanisms on indigenous and immigrant communities. One of her primary goals is to create meaningful, trusting, and reciprocal relationships with these communities. After her study and research at Oxford, she would like to earn a law degree in the United States with an emphasis on international human/indigenous rights and criminal law. In her future career, Carson hopes to advocate for cultural justice mechanisms on an international scale.

When she is not studying or giving back to the community, Carson enjoys writing poetry, collaborating on short stories with her friends, and learning new board games. Her role model is her Dad, and her motto in life is "Family Is First." When she received the news, she wrote, "This week has been really exciting for me and my family. My Dad even started to tear up when I called him about the Rotary Scholarship. I cannot thank you and the Rotarians enough for the profound impact you and Rotary have made on my life." She wants to stay connected with Rotary throughout and after her study at Oxford.

PDG Dwight W. Perry, District Polio Chair

This year marks 34 years since Rotary launched Polio Plus, its campaign to rid the world of polio. Beginning on this anniversary, February 23, 1985, Rotary members worldwide have joined together to eliminate this crippling disease. Since its inception Rotary and its partners have helped reduce the number of cases from 350,000 annually to nine cases so far this year. The aim of the 2013- 2018 Global Eradication Initiative Endgame Plan had been to eliminate polio by the end of 2018. Unfortunately, this was not the case, and the Plan has now been revised and extended through 2023. Rotarians remain committed to the program until the disease is eradicated. Rotary has contributed more than \$1.5 billion and countless volunteer hours to protect more than 2.5 billion children worldwide. In addition, Rotary's advocacy efforts have played a role in decisions by donor governments to contribute over \$10 billion to the effort.

To succeed by 2023, all involved in this effort must find ways to excel in their roles. If this happens, success will follow. This means stepping up the level of performance even further. It means using the proven tools of eradication and building blocks that have been established in parts of the world that have been free of polio for years. The vaccines, the cold chains, the networks of vaccinators the surveillance capacity, the governance, policy, financing and oversight structures must be at peak levels of performance.

Until we end polio forever, every child is at risk. Within 10 years we could see as many as 200,000 new cases EACH YEAR, all over the world. Unless we reach every child with the vaccine, no child ANYWHERE is safe! This is a frightening scenario that keeps Rotarians worldwide committed to the promise to End Polio Now. In order to say polio has been eradicated, the world must go **3 YEARS without any cases.** We can help STOP this disease—only the second time in history that a disease has been eradicated. (Smallpox was the first.) *What an amazing feat that would be!*

Flash Campaign -

The fight is not over and your help is needed NOW. District 5170 has been conducting a "Flash Campaign" (60 days) which started March 1 and will run until

Continues on next page

April 30. Each Rotarian in our district is asked to "join the team" and contribute a one-time \$50.00 donation to The Rotary Foundation, in support of the End Polio Now campaign. Your \$50.00 donation will be matched 2 to 1 by the Bill and Melinda Gates Foundation, thus bringing your contribution to \$150.

Shirt Auction -

Along with the campaign this year we are running an ongoing auction of an End Polio Now signed shirt. The shirt has been signed by Rotary International President Barry Rassin and six past International Presidents. It is beautifully framed and ready for hanging proudly in your home or office. The current (as of April 15) bid is \$1,500! To bid on the shirt all you need to do is give your bid to your club president or email it to Dwight Perry (see below).

Your HELP is needed today...The Children of the World are counting on you!

District 5170 Campaign to "End Polio Now" March 1 – April 30, 2019

Rotary has been working to eradicate polio for more than 30 years. Our goal of ridding the world of this disease is closer than ever.

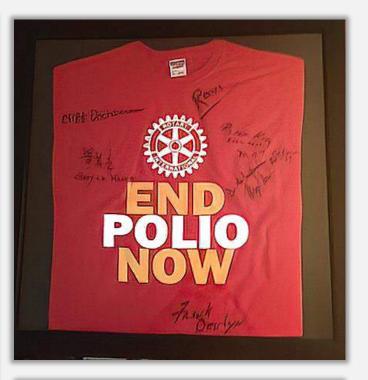

As a founding partner of the <u>Global Polio Eradication Initiative</u>, we've reduced polio cases by 99.9 percent since our first project to vaccinate children in the Philippines in 1979.

We've helped immunize more than 2.5 billion children in 122 countries. So far, Rotary has contributed more than \$1.8 billion toward eradicating the disease worldwide.

By the numbers

\$3 average cost to fully protect a child against polio 1988 - 350,000 cases of polio in 125 countries 2018 - 29 cases of polio in the world

The Children of the World are counting on you! Each Rotarian in our district is being asked to donate \$50.00. All funds will be matched 2 to 1 by the Bill and Melinda Gates Foundation.

This shirt has been signed by RI President Barry Rassin and six RI Past Presidents. It is beautifully and professionally framed. Submit your bid to your club president, or email it to Dwight Perry, DWP5334@aol.com.
