- Supporting the Environment

Rotarians experience fulfillment that comes with giving back to the community and to the world.

PERSONAL DEVELOPMENT

Membership in Rotary ensures continuing personal and professional development. Rotarians have countless opportunities to further enhance their leadership skills, as well as gain experience in public speaking, communication, organization, planning, team building, fundraising, and teaching.

FELLOWSHIP

Fellowship is the primary reason Rotary was started in 1905, and it remains a major attraction.

Rotarians have friends wherever they go. Rotary helps to build a sense of community as well as enduring friendships.

CULTURAL DIVERSITY

Rotary International is an association of local clubs in many countries. Membership is open to business and professional leaders from every ethnic group, cultural background, political persuasion, and religion. Rotarians value cultural diversity and practice and promote tolerance.

WORLD UNDERSTANDING

Rotary members gain an understanding of humanitarian issues and have a significant impact on them through international service projects and exchange programs of Rotary International and its Foundation. Promoting peace is one of Rotary's foremost objectives.
