

Solution Teams

Mission: *To provide a platform for clubs and organizations to collaborate and find solutions regarding similar projects.*

Genesis: Clubs and organizations tend to look inward for solutions when, in fact, other clubs and organizations may be performing similar projects. Why not create a collaborative environment? Many such projects fit within the Rotary Areas of Focus.

This will be a “work-in-progress” as clubs and organizations collaborative. Initial Programs include the following:

Disease Prevention and Treatment:

TeleHealth – Dr. Jack Higgins (Los Altos Rotary)

Peace & Conflict Resolution:

Ukraine & Turkey Projects - Harbir Bhatia (Santa Clara Rotary)

Community Economic Development:

Veteran’s programs – Los Altos Rotary, Livermore Rotary

Basic Education & Literacy:

Mentor Tutor Connection – Los Altos Rotary

Enterprise Leadership Conference

Enterprise Institute – Oakland #3 Rotary

Environment:

Climate Action Council – DeAnna Pursai (San Jose Rotary)

We are just getting started – Please provide your input by sending me at least a one-page overview!
