

## D5170 Youth Service & Rotaract!

### Share the Magic of Rotary Youth & Young Adults

“The youth of today are the leaders of tomorrow” is a saying we all use from time to time. The youth involved with Rotary programs are our legacy to carry Rotary forward. Our District touches the lives of thousands of young people each year through District led events such as Interact’s Fall Leadership Conference where 4000+ teens attended, to RYLA where 200+ teens are selected for a week-long camp. Our Rotarians and our Youth share a common bond of “Service above Self” and working together we will learn and grow from one another.

**Speech Contest – 2019-20 RI theme: Rotary Connects the World**

Our youth will have the benefit of working with our District and being introduced to Rotary – what the organization is and what individual Rotarians represent in community and worldwide service. It is through this type of speech program that we bring awareness and knowledge of Rotary for future generations to share and to enhance. Many youth accept the challenge to participate in our annual Richard D King Speech Contest. They prepare and present a speech that is based on our Rotary theme and incorporating the Rotary 4-way test.
