*Reducing Intolerance*

Sponsored by Denver LoDo

Parker**

The Rotary Club of Denver LoDo sponsors the annual club award that celebrates diversity by significantly reducing intolerance.

The 2015 honoree for the *Alana James Diversity Award* is [Kam Breitenbach](#) of the Parker Rotary Club.

Five years ago, Kam Breitenbach, member and President Elect Nominee of the Rotary Club of Parker, began the Rotary Community Corps of Parker (RCC) as a service to the developmentally disabled teen and adult community.

The RCC is itself a community service organization and its members organize their own community benefiting projects.

This past January, Rotary International posted a blog about the Parker RCC. Kam has been instrumental in developing the Boulder RCC. She has consulted on developing a RCC with a club in Georgia, USA.

All of us are very proud of your work in Parker - Congratulations!
