UKRAINIAN REFUGEE RELIEF

In just two weeks over 2 million Ukrainians have fled their country, creating Europe's largest refugee crisis since World War II. Many Coloradoans wish to offer assistance to these refugees but do not want to be 'scammed'.

The Arvada Sunrise Rotary Foundation is an Arvada-based 501(c)(3) organization that received its IRS determination letter in November 1994. The ASR Foundation is raising funds for Ukrainian Refugee Relief and will match donations up to \$2,000. These funds will be sent to the Rotary Foundation, for its Disaster Response Fund.
