Colorado Secretary of State Filing Requirements for Rotary Clubs and Foundations

2026 Reporting Requirements

Colorado Rotary clubs and their separate charitable foundations may have two distinct annual filing requirements with the Colorado Secretary of State.

- **Annual Periodic Report** — Required for Both club and foundation The Periodic Report primarily updates the organization's principal office and registered agent information.

Statutory authority: C.R.S. § 7-90-501.

- **Charitable Solicitation Registration —** May Be Required for foundations
    - Colorado requires charitable organizations that solicit contributions to register with the Secretary of State unless they qualify for an exemption.
    - **Under C.R.S. § 6-16-104, certain charitable organizations may be exempt from registration if they:**
    - Do not intend to solicit and do not actually receive more than $25,000 in contributions during a fiscal year.
    - Do not compensate anyone primarily to solicit contributions.
    - Meet the other applicable statutory conditions.
    - **Important: This threshold concerns charitable contributions, not necessarily gross receipts from selling peaches, food, or merchandise.**
