## ABOUT ROTARY

From Colorado's Eastern Plains to the majestic mountain peaks of Breckenridge, south to Castle Rock, and stretching to Northern Colorado, Rotary District 5450 has more than 55 clubs, all with distinct cultures and vibes. They are woven together with a collective goal to make meaningful differences in Colorado and beyond.

Rotary International is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people of all ages unite and take action to create lasting change – across the globe, in our communities, and in ourselves. Rotary District 5450 members are actively engaged in local and international projects that make a difference in society.

Innovation is at the heart of Rotary, and District 5450 also offers eClub One, the world's first 24/7 Rotary experience. The Club allows people all over the world to connect on projects and build bridges across cultures.

Whether you are a teen, young adult, or a retiree, Rotary District 5450 has something for everyone. We improve communities and bring people together!

### FRIENDSHIP, FELLOWSHIP, AND COMMUNITY:

In an increasingly complex world, Rotary provides one of the most basic human needs, the need for friendship and fellowship.

### BUSINESS DEVELOPMENT:

Everyone needs a good network. Rotary consists of a cross-section of every business community; members come from all walks of life. Rotarians help each other.

### PERSONAL GROWTH AND DEVELOPMENT:

Membership in Rotary ensures continuing growth and education in human relations and personal development.

### LEADERSHIP DEVELOPMENT:

Rotary is an organization of leaders and successful people. Serving in Rotary is like a college education. Leadership is all about learning how to motivate, influence, and lead leaders.

### CITIZENSHIP IN THE COMMUNITY:

Membership in a Rotary club helps develop better community citizens. The average Rotary club consists of the most active citizens of any community.

### CULTURAL DIVERSITY:

Rotary is an association of local clubs in many countries. Membership is open to business and professional leaders from every ethnic group, political persuasion, cultural background, and religion. Rotarians value cultural diversity; we practice and promote tolerance.

Rotarians contribute their time, talents, and passions to make a meaningful impact in the lives of others. We help inspire and create hope. At its core, a Rotary Club is all about serving – our members and our communities – and the opportunities to serve are endless!
