

Nepal Flood Disaster August 26th

Rotary Clubs of D5450 have a long history supporting the Rotary Club of Duhulikhel in Nepal. They have reached out to us with an Urgent Humanitarian Appeal. To make the process simple, the Rotary Club of Denver Southeast will collect contributed funds and direct wire transfer them to the Rotary Club of Duhulikhel. Your Club will accomplish 1) A more Immediate Response, 2) Join fellow District Rotary Clubs, and 3) Receive recognition and updates.
