

District Service Award

Service Excellence to District 5450

**Dan Himelspach
Denver Mile High**

**District Service Award for Excellence
PDG Dan Himelspach
The Rotary Club of Denver Mile-High**

Past District Governor Dan Himelspach has been a visionary for our district, leading us into the unknown of the new grants model, challenging our district to think outside the box, to “observe, steal, modify and implement”, we have become an even stronger district. His continued service to our district this year has resulted in two proposals to the Council on Legislation, supported by the Board of Rotary International, that will significantly loosen the constraints on Rotary’s growth in the US. His service at the Zone level as co-trainer of the District Governor Nominee class and as Zone Polio Coordinator, next year, indicates his commitment to the ideals of Rotary.

Above all because of his willingness to be an advisor, counselor and friend to me, during this year as District Governor, it is my honor and pleasure to acknowledge Dan with this

District Service Award for Excellence
