Linda Sue Shirkey and Bill West

District Service Award for Excellence District 5450 Event Production Team

The District Event Production Team is the recipient of this award for their selfless service to the district, their commitment to an artful presentation and their professionalism. Their efforts allow those who stand at the Podium to appear professional.

Countless hours of preparation, patient indulgence and pointed suggestions result in smoothly run events. Through their talents, for some based on professional experience and others willing to learn, this team has become a talented event production group. Their reputation extends beyond our district to the 5 district Rocky Mountain PETS. Their vision, to expand their capabilities, has led to significant savings for District events that will continue well into the future.

It is for this selfless service that I humbly present this
Service Award for Excellence
to the entire District Events Production Team.

Doug McLemore, Gabrielle Kapsak, David Trefz, Lynn Hofman, Lauren Mast,
Linda Sue Shirkey, Mark Harris, and Bill West.
