

George K. Davis

Water Project

Sponsored by Lakewood Foothills

**Kibera WASH Social Franchising
Project Denver Southeast**

The George K. Davis Water Project sponsored by the Lakewood Foothills Club recognizes the years best completed District water project. This year's recipient is the Denver Southeast Club for their Kibera WASH Social franchising project.

This project was the design, implementation, and evaluation of social franchising as a new business for multiple water and sanitation kiosks in Kibera, Kenya. The club member responsible for designing and implementing this solution was Program Manager Karen Loeb, in conjunction with the local Kenyan project manager.

Fantastic work and Cheers to you Denver Southeast!
