

Helping Hands Award

Targeting at Risk and Special Needs

Sponsored by Brush!

**Denver Kids Project
Denver/Denver
Rotary Foundation**

Concern for children who are struggling to overcome obstacles moved the Brush Rotary Club to create the Helping Hands Award which honors a project that targets at Risk and Special Needs Populations.

This year's winner is the Denver Club and Their Foundation for their longstanding Denver Kids Project.

Denver Kids, Inc. provides academic and social support for Denver Public School Students who are struggling with circumstances that put them at risk of not completing high school.

The Organization was founded by the Denver Rotary Club and Denver Public Schools over 70 years ago and together they have provided the opportunity of one on one educational support and counseling to thousands of students!

Thank You Denver Rotary Club!
