

# Leadership Lab

**A Rotary District 5450 Experience  
Practical Leadership for Real Clubs**

**What if one morning could change  
how your club operates all year?**

**Join us on May 2, 8:30am to 12:30pm  
Front Range Community College**

Leadership Lab is a focused, interactive, half-day Rotary experience designed for leaders at every level, from board members and presidents-elect to emerging leaders ready to step forward.

## Lab Sessions Include

- Board Basics – Lead with clarity and confidence
- Igniting Interact – Build your youth leadership pipeline
- Why RYLA Matters – Leverage development for long-term impact
- Succession Planning That Actually Works - Create continuity without burnout
  - Speak So People Lean In – Develop a confident and compelling voice
- The Rotary Foundation & Writing Effective Grants – Fund your ideas for impact
- Tell Your Story, Attract Support – Communicate your impact with confidence

**✓ Interactive ✓ Practical ✓ Done by lunch**

**This is not a lecture series. It's a lab, where ideas are explored, skills are sharpened, and leadership becomes practical.**
