

## **Melly Kinnard Mental Health Fund**

### **Overview**

Melly Kinnard from the Rotary club of Denver generously donated \$5000 to encourage and support District 5450 2022-23 club mental health projects. Rotarians for Mental Health will administer distribution of these funds to clubs as follows:

Clubs define their projects and submit their application (see below for application form) to Bill Farrow ([whfarrow@outlook.com](mailto:whfarrow@outlook.com))

After the application is approved, R4MH will request a check from Denver Rotary Foundation to match club contributions up to \$1,000.

After project completion, the club will submit a summary of the project including date it was completed to Bill Farrow ([whfarrow@outlook.com](mailto:whfarrow@outlook.com)).
