

Melly Kinnard Mental Health Fund

Overview

Melly Kinnard from the Rotary club of Denver generously donated \$5,000 to encourage and support District 5450 club mental health projects. Rotarians for Mental Health will administer distribution of these funds to clubs as follows:

Clubs define their projects and submit their application (see second page for application) to Bill Farrow (whfarrow@outlook.com) - *funding is separate from the District Grant Program*

After the application is approved, R4MH will request a check from Denver Rotary Foundation to match club contributions up to \$1,000.

After project completion, the club will submit a summary of the project including date it was completed to Bill Farrow (whfarrow@outlook.com). This summary will be archived on www.r4mh.org
