Club with Highest per Capita TRF Giving

Sponsored by Denver

Highlands Ranch
\$244.16 per member

This award commemorates the enthusiasm Ray Jenkins had for the Rotary International Foundation and is sponsored by Denver Rotary

The Rotary Club of Highlands Ranch is the 2015 recipient of the Ray Jenkins Award for their \$244.16 per member contribution to The Rotary Foundation.

Rotarians, your donations to the foundation are the financial fuel for all of the great work of Rotary that is being presented here tonight and all this weekend. It funds the fresh water, the maternal health, the literacy, and yes the final leg of our journey to eradicate polio from this planet.

Thank you Highlands Ranch for leading this District in per Capita Giving to make sure that all of this happens!
