## GLOBAL ALUMNI SERVICE TO HUMANITY AWARD

**THE ROTARY FOUNDATION** Global Alumni Service to Humanity Award honors former Foundation program recipients whose extraordinary service to humanity and professional achievements exemplify the Rotary ideal of Service Above Self.

An “alum” is a former participant in a Foundation program, such as a former Ambassadorial Scholar, a World Peace Scholar, a member of a GSE team or a Rotary Volunteer. For this award, the alum can be either a Rotarian or a non-Rotarian. Each district is encouraged to submit a nominee and each Zone selects one winner. This year four districts submitted candidates for the award, Districts 5440, 5450, 5470 and 5610. Zone 27’s winner of the Award is Jean Bedell nominated by District 5450.

Jean, a Rotarian from Lafayette, CO and member of the Boulder Rotary Club, led a GSE team to Mexico in 2007. She has provided health and humanitarian services in many countries, including Malawi, Gambia, Sudan, Paraguay, Honduras and Mexico. She and her husband have traveled to India each year for the last 30 years providing medical services there. Among her many health-related activities, she serves on the Board of a hospice care facility in Boulder. She received the Boulder Club’s Humanitarian Service Award in 1997-98. She also received the Rotary Foundation Service Above Self Award, is a multiple Paul Harris Fellow and is a Benefactor.

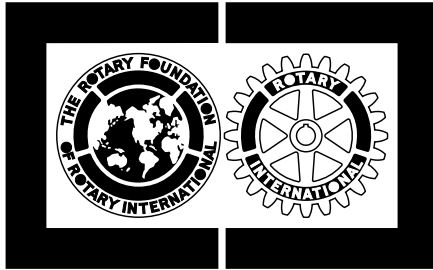

Jean is truly deserving of the Global Alumni Service to Humanity Award.
