

## VOLUNTEER OPPORTUNITIES

### DISASTER ASSISTANCE CENTER (DAC)

Boulder County opened the Disaster Assistance Center (DAC) at the beginning of the week and needs volunteers to welcome clients -- no advanced training required, and I am not aware of a vaccine mandate. Another entry-level volunteer opportunity coming up (no advanced training nor vax mandate, as far as I know): a donations center will be opening soon and they will be looking for 20 volunteers per day over the next 3-4 months to accept & sort donations and work with clients. See below for details for both opportunities.

### GREETER at DAC

**Description:** Serve as the "first face" of the DAC (Disaster Assistance Center) to welcome clients. Greet those impacted by trauma, coordinate volunteers from Boulder County and the community, facilitate community partners hosting of community resource booths, people who wish to make a donation, media, etc. Must remain poised and positive with multiple people entering the DAC simultaneously; have a solid knowledge of DAC operations and flow and understanding of key players on-site for questions; meet with individuals and families one-on-one onsite at the DAC to understand their current situation and assist individuals and families in completing a basic intake form. Must have a strong ability to empathize, listen effectively and assist individuals and families in connecting with the appropriate resources.

**Location:** Disaster Assistance Center (DAC) - 1755 S. Public Rd, in Lafayette

**Time Commitment:** 4-hour shift, available as early as this afternoon and tomorrow afternoon! Weekend help especially needed!

**Training:** No training required.

**Sign Up:** Be sure to just sign up for GREETER slots -- all other openings require City/County credentials.

### DONATIONS CENTER

**Description:** Receive and sort material donations or greet clients and assist with "shopping" experience.

**Location:** To Be Determined

**Time Commitment:** At least 20 volunteers will be needed daily for the next 3-4 months. This could be a great group volunteer activity, too!

**Training:** No advanced training required.

**Sign Up:** [www.coloradoresponds.org](http://www.coloradoresponds.org)

### RED CROSS VOLUNTEER SIGN-UP

There is a national process for vetting volunteers. Once a volunteer is vetted, they can apply to volunteer positions. <https://www.redcross.org/volunteer/become-a-volunteer.html#step1>
