1. Brief description of the WASH-related conference to be attended (including location), or, WASH-related applied field research project to be pursued (including site):
2. If a conference, which specific sessions will be attended? Which specialists or presenters will be contacted? (Will you also be presenting? If so, on what WASH-related topic?)

3. If a field project, which specific communities will be contacted? Which specific local leaders, agency- or community-based, will be engaged in the WASH (or affiliated) sector?
4. If a field project, approximately how many people will directly and/or indirectly benefit from this research? Provide a cohort breakdown if possible.
5. What amount of funding is being requested? (Please itemize, up to \$1000 maximum. Travel costs are permitted.)
6. When will the conference/project start?
7. When will the conference/project end?
8. If a field project, is this a one-time/synchronic or sustained/diachronic opportunity?
9. If a field project, what are its expected results/outcomes? What is the likely impact/sustainability of the project?
10. If a conference, what are its expected impacts on your current studies (and potentially, future career)?
11. What, if any, additional financial support is being requested from other sources (including your own and in-kind sources)?

12. How might the conference/project potentially address related health and/or education needs of participants/beneficiaries (two primary objectives of the Rotary Foundation)?

13. Is there additional information that you would like the review committee to be aware of? Please describe.
