Any amount of donation is acceptable, from one pair of socks (\$5) and on up to whatever you feel comfortable giving. Wondering how much to spend? You might use \$25 as a guide – that's the general guideline we used for our annual AWR SAY toy drive (which was canceled this year). But it is entirely up to you.

For **DISTRIBUTION**, we are partnering with the Cold Weather Network of the Jeffco Human Services Regional Homeless effort, coordinated by Kelli Barker. They are delighted to be a part of our project. We will conclude our collection the middle of December.

Please help make this collection a big success for the men, women and children in need of warm socks/gloves/hats!!!
