

# Rotary Clubs!

## Recognize a hard-working and deserving woman member!

Nominate a woman you know who has worked hard and deserves recognition for service to your club, the community at large, or for her achievement in business! All finalists will be presented at the 7th Annual Colorado Women's Day awards luncheon on March 11, 2022, and announced in advance to the public in February. Colorado Women's Day has an MOU with the WASH action group for District 5450 to help raise funds for essential WASH projects. To further gain attention for these, and other Rotary projects, nominations of women Rotary Club members are needed. Nominations are open to any woman residing within the state of Colorado and women are encouraged to nominate themselves.
