

# Youth Service Award

*Project Benefiting Youth*  
Sponsored by Smoky Hill

**Centennial Ricardo Flores Magon Academy Library**

Since 1997, the Youth Service Award sponsored by Smoky Hill has recognized a Club that has made a special effort to connect Rotarians with youth on a local and/or global project.

This years Youth Service award also goes to The Rotary Club of Centennial for their Ricardo Flores Magon Academy Library Project.

This project put together Rotarians and community to build this resource from scratch and was championed by Rotarian Randy Pye.

Thank you Centennial Rotarians for being there!
