

FAMILY OF ROTARY AWARD

The club that has best reached out to Rotarians, cared for their families, and strengthened the sense of community. Specific examples are: visiting ill members and ensuring that their needs are met, inquiring after those who have missed meetings, promoting diversity in club membership, promoting membership retention, encouraging new Rotarians to serve on a committee or spearhead a club project, encouraging family participation in club activities, encouraging family members to join Rotary, maintaining contact with the family of deceased Rotarians, support Rotary families in times of need as well as to continue their membership. These guidelines are simply a suggestion. The Family of Rotary can be defined broadly, and the activities can vary according to the club's discretion. The sky is the limit!!
