

The District 5450 PolioPlus Society

A great opportunity to do good in the world.

To become a member all you need to do is complete the Polio Plus Society pledge form, scan and send to District PolioPlus Chair, Marny Eulberg at marnyeul@me.com As a member of the Society, you pledge to donate a minimum of \$100 USD each year or \$10 per month in the form of recurring donation from your credit card until the world is certified polio free by the World Health Organization.

Rotarians and their friends who join the Society will be honored with a special pin and certificate which will be presented at your Club meeting.

Of course, all donations will be matched 2 to 1 by the Gates Foundation making this an even better opportunity, as well as receiving Paul Harris Credit for your donation. The easiest way to donate is to go to Myrotary.org and click on “polio fund” or by “hovering” over the QR code on the bottom of this flyer with your smartphone’s camera. You can then:

- Make a onetime donation of \$100 (or more) with your credit card by clicking on the “One-time donation” button and choosing the appropriate amount from the boxes below.
- The other choice is what some call the “easy” way to become a PolioPlus Society member by utilizing the monthly payment option. Click the “Recurring Donation” button. For frequency choose “monthly” and for amount choose “other” and enter \$10 in the “enter other amount” box. If you wish to donate more, or quarterly or annually instead, you have those choices as well. (To donate online, make sure you have registered on myrotary.org for a My Rotary account for you, your club, and our District to receive proper credit. Signing up is quick and easy).

You can also donate by writing a check to “The Rotary Foundation” with “PolioPlus” in the memo section and submitting to your club’s Foundation Chair or sending directly to The Rotary Foundation with a 123_contribution form or at least your Rotary member number at 14280 Collections Center Drive, Chicago, IL 60693, USA

Help Rotarians reach every last child and achieve our vision of a polio free world.
