
The Rotary Leadership Institute is a training program established to improve your knowledge of Rotary and build the leadership skills for future leaders of Rotary.

Who Should Attend? This workshop is perfect for any Rotarian who wants to learn more about the larger world of Rotary. All members gain a deeper understanding of how their club fits into the larger District and International picture.

How Would My Club Benefit? Successful leadership leads to successful clubs. This is an outstanding opportunity for every club to be exposed to exemplary leadership training that can increase the creative thinking process within the club's development. The exchange of ideas with other experienced Rotarians will be invaluable.

What Do Past Participants Say Was Most Valuable?

"The interaction with other Rotarians"
"Learned so much about the bones of Rotary" **"The specifics about RI were so helpful"** **"Great ideas for building membership"**

Why Do We Need a Leadership Institute? Rotary needs a constant influx of leadership as club officers, etc. change every year. It is difficult at the club level to learn enough about the exciting world of Rotary. Furthermore, leadership skills in a voluntary organization are often different from business leadership skills. It is important that club leaders have every opportunity for education because the success or failure of our clubs depends in large part on the quality of their leaders.

Institute Fees: The fee for each course is \$40. This covers breakfast, lunch, and course materials.

"Having leadership skills does not alone assure good Rotary leadership. An effective Rotary leader must ALSO have Rotary knowledge, perspective about where Rotary has been, where it is now and a vision of what Rotary can be."
