Welcome to the Service Project Center

The Service Project Center (formerly Rotary Showcase) is a dynamic and feature-rich hub for all Rotary service projects. This new online tool is part of our ongoing efforts to enhance participant experience and increase our impact.

The new Service Project Center (SPC) is faster, more streamlined, and has better tools and functionality to help you manage your projects, empowering you to make an even greater impact in your communities. This is just the beginning; look for information about additional improvements and features on this page.

Cadre of Technical Advisers

Our purpose

The Rotary Foundation Cadre of Technical Advisors is a network of Rotary members who work to increase the impact of projects funded by The Rotary Foundation. We use our professional expertise and technical skills in Rotary's *areas of focus* and financial auditing to help members plan projects, submit stronger grant applications, and implement effective monitoring and evaluation activities.

Rotary Grant Center

Welcome to Rotary grants! As Rotary members, we contribute our skills, experience, and resources to help solve the world's most serious problems. From providing clean water in local communities to supporting education projects, grants can bring your project ideas to life.

Use the Grant Center to apply for a grant, track its progress, report on it, and more.

Types of grants

The Rotary Foundation offers grants that support humanitarian projects, scholarship projects, and more. Here is an overview:

- **Global grants** support large international projects with long-term, sustainable focus. They range from \$30,000 to \$400,000.
- **District grants** fund smaller-scale, short-term projects that address immediate community needs.

Rotary International Grant Program

Rotary International's Grant Program has achieved significant success over the years. The 2013-2014 Future Vision initiative introduced crucial enhancements, including the seven [Areas of Focus](#) and requirements for sustainability, monitoring, and evaluation. These changes have led to more impactful projects that showcase the program's power and the dedication of the Rotarians involved.

Each year, Rotary International and the District review and update their policies. The following information reflects the policies effective as of July 1, 2023.

Club Qualification for Sponsoring Rotary Grants

A District 5450 Club must be "qualified" to sponsor a Global Grant or District Grant. Qualification is renewed annually and requires the following:
