### Frank Talk

The focus for this year is Communications. We communicate Rotary within our Clubs: at our weekly meetings, in promoting our fundraisers, when implementing our service projects, and seeking to

attract new members. And we also do so when we inform our family members, associates at our work place, or friends and neighbors about our Rotary activities.

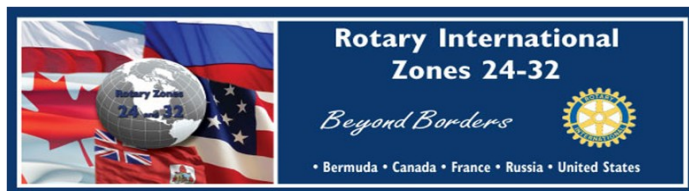

We learned at our Rotary training sessions that social media is the PR tool of the present and future. I don't doubt that this media has an enormous impact on "getting the message out". However, I still feel the most effective tool for communicating Rotary is an Engaged Rotarian. This is a Rotarian who takes the

Four-Way Test and the Object of Rotary to heart in all that he /she does. It is not just a weekly recitation at the Club meeting, but a way of life. It is the way we think, say and do as a family member, in our business transactions, with the people we work with and the client we

**RI President Ron Burton !!**

\*Early Booking advised to avoid disappointment  
This year the Zone 24-32 Institute is in Cherry Hill, NJ. and they are offering a unique opportunity for any of our D7430 Rotarians to attend 2 special events. One is a Membership seminar / retreat that will run from 8:30 am until 11:30 am. This is for both club Membership Chairs and those that would like to attend.

The other is this great and unique opportunity to attend the Saturday luncheon where the Keynote Speaker will be this year's RI President, Ron Burton starting at 12 Noon.

We are pleased to offer many of you this rare chance to hear and to possibly meet our Rotary International President, Ron, in person so close to home. And after the Luncheon you are invited to stay and enjoy both the large House of Friendship and the afternoon programs.

You can attend either or both events\* ([Click Here To Register](#))

we serve.

When the people we are in contact with, in the various facets of our life count on us as persons of integrity, fair, friendly, good-willed and seeking to be beneficial to all concerned, we are communicating Rotary. It is the high ethical standards that form the foundation for our relationships with others that sets us apart from other service organizations. It is not just helping people in need, it is how and why we are doing it.

In order to get the message out as to whom and what we are, we need for people in our community to know that we are Rotarians. If we want people to know we are a fan of a sports team, we wear a cap, a sweatshirt, jacket, pins, logos or a tattoo (at least some people do, not me). We put decals on our cars, flags at our house and purchase blankets, aprons, BBQ utensils, bottle openers, etc. to show our pride and loyalty to our team.

Why not do the same for a team that doesn't have losing seasons, doesn't pay its members with multi-million dollar contracts, and doesn't charge its fans outrageous prices for ball park food, snacks, and drinks. A team that places their service above self as it strives not to entertain, but to do good in the world. All these visible symbols identifying us as Rotarians are easily accessible and range from a few cents to a few dollars.

So as we engage ourselves in Rotary each day in our life, and people recognize us for our integrity, fairness, goodwill, friendship and concern for others, they will associate that character with Rotary. Don't wear the Rotary symbols only at a Rotary meeting or event. **Be Rotary proud**, encouraging others to want to be part of the team. A team that does good in the community and the world, because; *We Can and WE Care*.

## **Rotary and Gates Foundation Extend Fundraising Agreement to End Polio**

***New match arrangement could raise \$525 million for global eradication effort***

**Rotary International and the Bill & Melinda Gates Foundation announced an extension of their existing fundraising partnership that could generate up to \$525 million in new money for polio eradication as the global effort to end this crippling disease enters its critical endgame phase.**

**Under the new agreement, announced before an audience of more than 20,000 Rotary members from 160 countries gathered in Lisbon for the humanitarian group's annual convention, the Gates Foundation will match 2 for 1 every new dollar Rotary commits to polio eradication up to \$35 million per year through 2018.**

**"When Rotarians combine the passion for service along with the power of a global network, you are unstoppable, and the Gates Foundation is proud to partner with you," said Gates Foundation CEO Jeff Raikes. "We will combine the strength of Rotary's network with our resources and together with the other partners in the Global Polio Eradication Initiative we will not only end a disease, we will change the face of public health forever."**

\$100 million challenge grant for polio eradication, increasing it to \$355 million in 2009. Rotary agreed to raise \$200 million in matching funds by June 2012. When the organization achieved its fundraising goal six months ahead of schedule, the Gates Foundation granted Rotary an additional \$50 million.

To date, Rotary clubs worldwide have contributed \$1.2 billion to the polio eradication effort.

“We’re at a critical point in the fight to end polio,” said Past Rotary Vice President John Germ, who leads the organization’s fundraising efforts for polio eradication. “We must capitalize on this progress to finish the job. We have a robust plan, the tools to reach each child, and with funding in place, we can win against this devastating disease.

Germ also announced a new contribution of \$1 million from Sir Emeka Ofor, a Nigerian Rotarian and philanthropist, as one of the first major gifts to be matched under the new agreement with Gates.

## District Rotary Award Travels on Cruise Ship

Shortly after the 2010 earthquake in Haiti PDG Mike McCarthy conducted our annual district conference on Royal Caribbean’s cruise ship, The Explorer of the Seas. D7430 Rotarians purchased, packed and delivered five pallets of backpacks for Haitian school students, and Royal Caribbean transported them to Labadee, Haiti at no charge.

The following year PDG Mike and DGE Bill Jahn traveled to Cape Liberty, Bayonne, NJ, and again boarded that ship and met with Captain Olav Gunnar Nyseter, the same Captain who took us to Haiti in 2010. They presented him with a plaque thanking Royal Caribbean for its generosity.

Over the 4<sup>th</sup> of July, 2013, PDG Bill Palmer with his family cruised on that same ship and with the same Captain. The D7430 plaque is on full display on the wall of the public space on deck 11 leading to the food. PDG Bill met with Captain Olav on the 4<sup>th</sup> to again say “Thank You” to Royal Caribbean from D7430.

## Sincere Thanks From PDG Tony

### 2012-13 D7430 Rotarians' Donations To the Rotary Foundation Set a New Record

The latest figures shown by RI:

** Annual Fund .....	\$229,816
This the 3 <sup>rd</sup> highest of 21 districts of Zone 32	
Number of D7430 RCs contributing.....	44 of 44
Per capita giving .....	\$121
** Polio/other.....	\$64,387
** Endowment Fund.....	\$ 4,190

Total Contributions for the 2012-13 year ..... \$300,394

This is our highest total contributed to the Annual Fund in the last 5 years. The per capita is the highest in 7 years. Your increased contributions to the RI Annual Fund is a very good thing for our future projects within D7430's control. Thanks everybody!

## New Email Scams Target Rotarians

Several U.S. Rotarians have recently reported receiving an email with the subject line: "Awful Trip!!! (Urgent Help Needed)" It fraudulently claims to be from RI President Ron Burton, reporting he is in Valencia, Spain, and in urgent need of money to replace stolen cash, cards, etc. The email was apparently sent by an unauthorized access to one of his email accounts. RI staff is working to resolve the issue; but please be aware the email is a scam.

Also be aware of Facebook pages or other websites using the Rotary logo without permission in order to solicit money and imply a relationship with Rotary.

Other recent scams include:

- Fraudulent emails with the subject line "Rotary Membership Update" that reports to be from Rotary International asking them to update their membership status for the 2013 year by clicking on the link supplied in the email. Please be aware that this is a phishing scam. Phishing is the criminally fraudulent act of attempting to acquire sensitive information such as usernames, passwords, or credit card information by masquerading as a trustworthy source.

## New Email Scams Target Rotarians *continued*

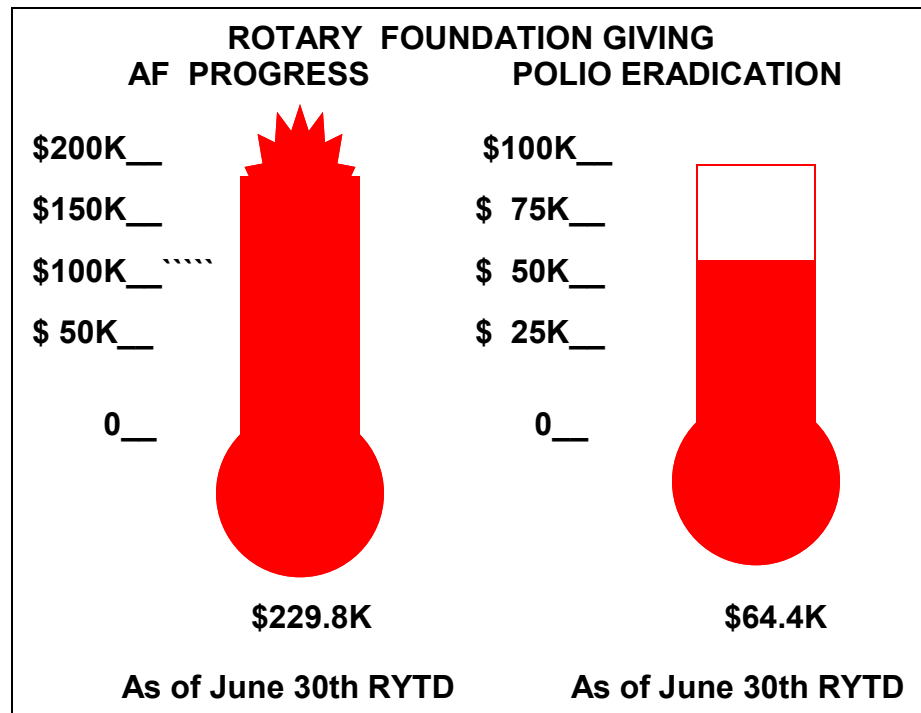

•Several Rotarians have reported receiving a fraudulent email which reports to be from an Australian Rotarian stuck in London, England. The email claims the individual was robbed at gunpoint while on holiday and that she needs money to get home. Other Rotarians have reported receiving a similar email sent out in the name of a senior Rotary leader, a trustee of The Rotary Foundation, seeking money. The email claims that the individual is stuck at an airport with lost luggage and needs the cash to get home. Both emails are scams.

•An email scam with the subject line "Award Winning Notification Final" has targeted Rotarians claiming that they are one of 21 winners of a promotional program.

• An email scam targeting Rotarians and Rotaractors claims the recipient has won hundreds of thousands of Euros through an international promotional program conducted by the "Euro-Millones Lottery."

•An email scam with the subject line "Dear Award Beneficiary!!!" has targeted Rotarians claiming the recipient has won US\$500,000 and two HP laptops from RI.

RI encourages Rotarians and Rotary clubs to avoid becoming victims of such scams by deleting any email that appears suspicious.

## Liability Insurance Program US Rotary Club & District

U.S. Rotary Clubs pay for insurance! What does this cover? On the 1 July Semiannual Report (SAR), each U.S. Rotary Club in our District pays for two different types of liability insurance:

- 1) general liability and
- 2) directors' and officers' / employment practices liability.

U.S. Rotarians are highly encouraged to visit the Insurance Information Portal to learn about their insurance coverage. This website has the certificate of insurance that U.S. clubs and districts can use as proof of insurance. Also, this site has useful information to help ensure safe and successful events and activities.

Please note that insurance claims are paid by from your assessments collected from US Rotarians. No doubt, there is incentive to make risk management and safety a priority. Visit the Insurance Information Portal for more information:

Username: Rotarian

Password: Resources#1

Note: Username and password are case-sensitive. This portal is for U.S. Rotary club/district use only.

If there are insurance questions, please feel free to contact the insurance broker (Lockton) at 1-800-921-3172 or

[rotary@lockton.com](mailto:rotary@lockton.com) or Rotary's Risk Management at [insurance@rotary.org](mailto:insurance@rotary.org).

Please note that the annual insurance update will be sent to U.S. club and district officers this September.

## USED CELL PHONES WANTED

The Bushkill Inn is the site of our May 2014 District Conference. They have asked us to donate our used cell phones. They, in turn, will donate 30 tickets to visit Bushkill Falls for our Youth Exchange students to use. So please start collecting the cell phones. Please give the phones – and their charge cords - that you collect to DG Frank upon the occasion of his visit.

Sue DePaul (Harleysville RC) will be holding and delivering the phones on behalf of Rotary. If you would like to contact Sue about future donations please call her at 215-896-9324.

## Assistance Needed for Alberta, Canada Flood Victims

Support is needed for the great challenges facing Albertans in District 5360 as a result of the recent Flood Disaster. The floods came fast and furious and effected communities along a 300 km watershed from the mountains to the Saskatchewan border. Major damage was done in several communities including Canmore, Calgary, High River, Medicine Hat, two First Nations Communities and lesser damage in other communities.

The challenge of rebuilding lives and communities will remain when the emergency aid workers complete their work and leave these areas. We believe this is where Rotary will have an important and ongoing role. While we may not have the resources to rebuild houses we do have the ability and resources to help rebuild lives and communities. Many of our clubs do great work around the world but it is now time to turn inward and, out of necessity, to do more of that good work at home.

The following link will allow you to make an on line donation:

## Because We Can...And We Care

**D7430 2013 - 14  
Good Things**

### From the Emmaus Trumpet:

Last week we learned about our two local libraries: Emmaus and Lower Macungie. We are supporting both libraries this year: with Emmaus we have contributed \$200 to purchase a rocking chair used for reading; for Lower Macungie we have contributed \$500 to support the summer children's reading program.

This past year, our club has been involved in supporting many projects—thanks to all of our club members. Let's look at some of the things that we have contributed to (Not even counting our volunteer projects)

### Polio Plus: \$2,000

#### International Projects:

Shelter Box: \$2,000  
 Friendship Exchange: \$1,000  
 Rotaplast: \$1200  
 Rotary Grant: India Neotal Clinic: \$6000

**TOTAL: \$1700**

#### YOUTH EXCHANGE

INGOING/OUTBOUND/CAMP NEIDIG: \$2500 APPROX.  
 SCHOLARSHIPS PAID OUT JULY, 2013

To all of this we must add all of the volunteer project hours that we have contributed.

## Strike Out Hunger Phillies Game

On August 22nd, the Philadelphia Phillies will sponsor their 29th annual Strike-Out Hunger game at Citizens Bank Park. Proceeds of ticket sales for the game will benefit Rotary International's foundation. Tickets are \$20 each and we're asking for your support once again this year. Contact is Marv Axler at [marvin@cmi-direct.com](mailto:marvin@cmi-direct.com).

## Membership

### Tips this Month:

Provide new members with accurate information before they join. This can prevent them from leaving the club. Inviting people who are not prospective members to come to meetings can be good PR. They may have an interest in joining Rotary some time later.

**Jordan Spieth fires a fist pump after winning the John Deere Classic on Sunday, July 14<sup>th</sup> in Silvis, Ill. Spieth defeated Zach Johnson and David Hearn on the fifth hole of a playoff.**

**Spieth started the final round six shots back, and promptly bogeyed the first hole. But he birdied five of the last six. The last one was that 44-foot bunker shot. He hit it thin, but it took one bounce, hit the pin and dropped into the hole.**

### Morrisville-Yardley

The **First Global Grant** application from District 7430 has been submitted to RI. Juan Proano of Morrisville-Yardley has spearheaded a 3rd project to provide ceramic water filters to residents of the slums of Lima, Peru. The higher threshold for a grant project in the New Model led Juan to enlist the support of a number of other Clubs in D7430 to replenish the Annual Fund to provide DDF for projects in the future.

### Bethlehem Morning Star

Morning Star "Fun Fact": After 23.5 years, 11 of Morning Star's original charter Members still are active in the club!

### Ambler

Brianna Heffernen (Leslie's daughter) and Maria Bezares, from Santa Cruz, Canary Islands (Spain) were the July 24th speakers.

Both girls participated in the **Rotary Summer Youth Exchange Program**, where Brianna went and spent a month with Maria and her family in Santa Cruz, and Maria is now here with the Heffernen family for a month. What a wonderful and exciting opportunity that Rotary provides for youth from different cultures to become life-long friends.

## Did You Know?

**Youth Service:** The Easton Rotary-sponsored children's ID program at the Miracle League was a big hit with the families. Child specific data including age, height, weight, physical or mental challenges, medical needs, and fingerprints were fed into a computer. Photographs were taken as well as voice recordings.

The information was then burned onto a CD which was presented to the parents. The CD can be given to the police if the child ever is missing. The police can then instantly transmit the information throughout their network in an effort to locate the missing child. CDs were made for 32 children.

The Reading Rotary Club was chartered on Dec 1<sup>st</sup> 1913 and was the 88<sup>th</sup> ever RC and is 100 years old this year, The Allentown Rotary Club celebrates its 100<sup>th</sup> birthday on June 1, 2014. The Easton Rotary Club celebrates its 100<sup>th</sup> in 2015

The first Club in Pennsylvania was the RC of Philadelphia # 19 chartered in November 1910.

You can get a letter signed by the RI president to mark a special club member's achievement to recognize the years in Rotary or outstanding years of perfect attendance from [susan.schmidt@rotary.org](mailto:susan.schmidt@rotary.org) who is our RI contact for club and district support.....please allow 6-8 weeks to process.

- Sept 10<sup>th</sup> -- 6th Annual Emmaus RC Golf Tournament at Brookside Country Club in Macungie, PA

A neutron walks  
into a bar and asks  
"how much for a  
beer?"

The bartender  
says, "for you?,  
no charge."
