## *Simply Stated.....*

Happy December everyone!—It is so hard to believe that we are coming in to the last month of 2018 and almost halfway through the Rotary Year.

The end of the year, brings many holidays and celebrations for us all. No matter, what your beliefs are, there are many festivities and activities that we participate in at this time that bring together family and friends.

Family and friends-----that is what it is all about! Rotary brings us family, and as I have said at every club meeting it brings about deep friendships that last a lifetime.

Let us be thankful for all of our Rotary family and friends and enjoy this season to its fullest: by helping our communities, our families and our friends. Our club Rotarians have been so busy this last month with a variety of projects. Please make sure to share your club activities through the newsletter.

So- the message this month is short and sweet: Enjoy all of your holidays and this month!

*DG Cindy*

## ***FOUNDATION SEMINAR & GRANT TRAINING SESSIONS CONDUCTED ON NOVEMBER 10, 2018***

Over 120 Rotarians from our District 7430, and from D7450 to the south of us, gathered at MONTCO CC in Blue Bell on November 410<sup>h</sup> for a very successful Annual Rotary Foundation Seminar and Grant Training.

As usual we started off with a nice continental breakfast.

TRF District Foundation Committee Chairs, PDG Mike McCarthy and Bonnie Korengel were the hosts for the event. The Science Center facilities were great as were the programs.

DG Paul Quintivalla (D7450) and DG Cindy Hornaman (D7430) each welcomed the whole group at the start of the opening General Session.

The Keynote speaker was Julia Phelps, Ed.D., Rotary International Director 2014-16 and current TRF Trustee. She was articulate and humorous with her discussion OUR Rotary Foundation Today.

Then there were two "breakout" sessions that covered the topics of:

**Rotary Foundation 101**  
**Annual Fund Revealed**  
**Polio Plus & District Events**  
**Grant Basics & Needs Assessment**  
**Major Gift Impact**  
**Peace Centers**

The final General Session included a box lunch. The featured speakers were a Veterinarian describing a Goat Dairy project underway in The Gambia, Africa; and D7430's DGE Herb Klotz discussing the 7 year joint projects with Engineers Without Borders for the Centennial School in Sierra Leone, Africa.

After the Seminar, about 36 Rotarians met for "Grant Training" to be certified for their respective RCs to apply for Grants going forward. Each district had its own room and presenters. PDG Mike McCarthy, DG Cindy Hornaman and Grant Stewardship Chair Peter Clayton each presented for us.

## Inspiring Clubs

### PEOPLE OF ACTION: Inspired Rotarians

Below are projects that D7430 Rotarians are doing to make the world a better place.

#### Norristown: Rotary Butterfly Garden

Thanks to all who came out to help start our Butterfly Garden project last Saturday October 28<sup>th</sup>.

#### Saucon Center Valley:

Our annual fundraiser raised more money than ever before and we had a great time doing it! At our Steel Club Dine and Dance, we raised \$15,000 for Shelter Box and another \$3,000 for our foundation. Thanks to all who donated to the auctions, invited friends and family, planned, organized, and made this event a huge success.

But that's not all.... Kerri Murray, President of Shelter Box, USA wants to thank us in person. We are making plans to have her visit our club in the next month pick up our donation check. The details are still in process, so please keep watch for a follow-up message.

### **Bethlehem:**

A special thank you to Deb Geiger, Cindy Glick, Diane Donaher and Pete Mickolay who continue to lead the charge in maintaining the park on Sand Island that was part of our Centennial Park project. On Sunday, this crew pulled weeds, trimmed shrubs and raked leaves to make the park ready for the winter months. Thank you for your hard work... here are some photos for us all to enjoy!

### **Norristown:**

**Norristown Rotarians dig in! Dave Shoemaker (left) is president-elect and Paul Catrambone is a past president.**

Last year Rotary International President Ian H.S. Riseley inspired Rotarians to make a difference in their communities and the world, particularly in the area of environmental issues. On Saturday October 20, the Rotary Club of Norristown, under the leadership of President Robin Parker, planted a butterfly garden of flowers, shrubs and a willow tree in Padden Park.

This was a collaborative effort, with the Club working with individuals from local agencies, including the Dragon Boat Club, Laurel House, Blue Tree Garden Center and West Norriton Township. As President Riseley stated: "We know that we can do more together than we could ever hope to do alone."

### **Blue Bell:**

**Blue Bell Rotary Club- A Month of Exemplary Service.**

Blue Bell Rotary exemplified the spirit of service. October is not only a month for Halloween and candy, it's a month for service.

Our service commenced on a warm fall evening with our 13th annual Chef of the 'Burbs at Pine Crest Country Club in Lansdale, PA on October 11. This year's theme was *All about the Kids*.

Over twenty area restaurants enticed our pallet with many delicacies.

More than 80 silent auction and live auction items lured the crowd for bids, all for a charitable cause.

We raised over \$50,000 benefiting the Wissahickon Valley Boys and Girls Club and Inter-Faith Housing Alliance and graciously supported families and children in need.

Our rotary forged on and collected food for Thanksgiving dinners for Interfaith Housing Alliance, planted 65 trees at Montgomery County Community College, packaged 45,000 meals at the Hunger initiative and raised over \$10,000 at the Blue Bell Golf Fundraiser for veterans at Montgomery Community College and CHOP (The Children's Hospital of Philadelphia).

Blue Bell Rotary Club is proud to have helped so many in October.

### **Kutztown:**

#### **Kutztown Rotarians Celebrate World Polio Day**

The Kutztown RC promoted World Polio Day on October 24<sup>th</sup> when it participated in the annual Merchants' Night Trick-or-Treat night on Main Street in Kutztown. Kutztown Rotarians distributed pencils marked "Rotary" to young trick-or-treaters and their parents who walked on Main Street which was closed to vehicular traffic.

### Kutztown continued:

Rotarians stood in front of a large sign describing Club projects, including the goal to "Eradicate Polio." Members told approximately 2,000 costumed trick-or-treaters and parents about Kutztown Rotary and displayed its youth projects, including Student Exchange, Camp Edmar, Four-Way Test Speech Contest and PolioPlus.

The Kutztown Rotary Club actively supports Rotary International's polio eradication project: in addition to donating annually to the Polio Plus fund, Kutztown Rotarians have traveled to India to vaccinate children and annually sponsor the Purple Pinkie event at Lehigh County Community College.

Further, one Kutztown Rotarian attended the District 7430 World Polio Day celebration on October 19th in Bethlehem which included an inspiring lecture at Moravian College by Mike McGovern, Chair of the Rotary International PolioPlus Committee.

### Morrisville-Yardley:

October 15, 2018- The Morrisville Borough Council Commends the Morrisville-Yardley Area Rotary Club for **its 90 years of service** to the Morrisville community. The Proclamation was read and presented by Mayor David Rivella (third from right) to President Denny Lanctot (right) at the council meeting..

November 8, 2018

Assistant Governor John Ortolf talked to the Morrisville-Yardley Area Rotary Club at its meeting on November 8 at the Yardley Country Club. His subject was The Rotary Foundation. President Denny Lanctot gave John (left) a Robert Morris mug as a token of thanks for his excellent presentation.

## ***Another “i”!! As in “What’s iMPORTANT?”***

This “What’s important” section started with a call for individual RC members to get involved in some Rotary activity and implement some Action Items. Then we reviewed what you might do regarding Public Imaging and Membership Growth and Retention.

It was suggested that you promote your public image with RI’s Branding resources and learn about Rotary Days. Then we listed actions that you can take to support OUR Rotary Foundation.

This emphasis is on Humanitarian Service, both Local & International. Our D7430 Strategic Plan calls for an Increase of club participation in district and global grants. There is a goal to have all RCs certified to apply for Grants.

RCs are asked to Communicate their projects. The district will develop a plan for international/local service travel fellowships.

### **WHAT ROTARIANS CAN DO:**

1. Work with your club Foundation Chair, and your Assistant Governor, to identify a District or Global Grant that is appropriate for your club to support. Initiate one, or partner with one or more RCs to participate.
2. Work with your club President and Foundation Chair to sign up for you to have Grant Training and to maintain that your RC is certified to work on Grants every year.
3. Be part of your PR effort and communicate what projects your club is doing to the “outside world.” Use Facebook.

An [Intercountry Committee](#), or ICC, is a network of Rotary clubs or districts representing the country in two or more countries working together. They're formed with the approval of the District Governor.

The mission of an Inter-Country Committee is to connect people with the objective of facilitating the creation, development, and progress of an effective and sustainable international network of bilateral relations and activities to take advantage of all opportunities in an effort to promote a climate for maintaining Peace and improving Understanding, worldwide.

This is done through the exploration of Art, music, culture, history of the country of interest and promoting it. A great example demonstrating the mechanism of this process would be what was organized by ICC Canada Italy. Italian pianist offered freely their performance, surrounding Districts, and Clubs were invited to participate in this Rotary Inter-Country Committees event. An opportunity of promoting the Italian arts to the audience was created. In addition, Rotarians and Rotaractors in Canada were invited by the Italian Consulate to participate in the Italian Republican Day Event in June. Thus, promoting the Italian history, culture, and art in Canada.

In another instance, schools in France, Egypt and Canada coordinating together through Skype Education where students are invited to share experiences about their countries with respect to history, climate, food, interests. Hence, creating an atmosphere of understanding and tolerance at an early stage among student.

Rotary Inter Country Committees (ICC) have been part of our Rotary World since 1950 and, as you might know, they represent a further strategy to accomplish Rotary's objectives. Starting with the twinning of clubs across countries, and international contacts between Rotarians which increased in a spirit of tolerance and comprehension as a result of coming to know more about each other. Soon Rotarians, clubs, and Districts from the two countries of an Inter-Country Committee realized that only working together on common actions and initiatives could further promote peace through improved communications and mutual understanding.

Today there are more than 300 Inter-Country Committees in Europe, Africa, Asia, North and South America which are country-based activities for direct bilateral humanitarian and peace efforts, aiming to prepare the ground for peace, understanding and tolerance between countries and within them.

Rotary Inter-Country Committees (ICC) have been established in Canada in 2015 and I am looking at expanding the initiation of Rotary ICC to North America and Mexico.

For more info, be sure to check out Rotary [Inter-Country Committee for guidelines](#).

Note that D7430 Governor, Cindy Hornaman, has been asked to be a member of the RI inter country committee.
